Safety Instruction Guide for Walker's Game Ear Passive Bluetooth Ear Muffs

Introduction

Thank you for choosing the Walker's Game Ear Passive Bluetooth Ear Muffs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your ear muffs. Please read this manual carefully before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the ear muffs are used in accordance with local laws and regulations.
- Regularly inspect the ear muffs for any signs of damage or wear.
- Do not use the ear muffs if they are damaged or malfunctioning.
- Keep the ear muffs away from moisture and extreme temperatures.
- Store the ear muffs in a safe place when not in use to prevent damage.
- Ensure that children do not use the ear muffs without adult supervision.

Specific Safety Precautions for Use

- **Hearing Protection:** These ear muffs provide passive protection with an NRR of 26 dB. They are designed to reduce harmful noise levels. Always wear them in noisy environments.
- **Bluetooth Connectivity:** Ensure that your mobile device is compatible with Bluetooth before attempting to connect. Follow the device's manual for Bluetooth pairing instructions.
- **Microphone Usage:** The adjustable boom microphone should be positioned correctly to ensure clear communication. Avoid blocking the microphone during use.
- **Comfort:** The ergonomic headband design is intended for comfort during extended wear. Adjust the headband as needed for a secure fit.
- **Battery Safety:** The ear muffs are powered by 2 AAA batteries (included). Do not mix old and new batteries or different brands. Remove batteries if the ear muffs will not be used for an extended period.

Instructions for Installation and Usage

1. Inserting Batteries:

- Open the battery compartment located on the ear muff.
- Insert 2 AAA batteries, ensuring correct polarity (+/-).
- Close the battery compartment securely.

2. Bluetooth Pairing:

- Turn on the ear muffs by pressing the power button.
- Activate Bluetooth on your mobile device.
- Search for available devices and select "Walker's Game Ear" from the list.
- Follow any additional prompts to complete the pairing.

3. Adjusting the Headband:

- Hold the ear muffs by the ear cups.
- Slide the headband to adjust the size for a comfortable fit.
- Ensure that the ear cups fully cover your ears for optimal protection.

4. Using the Microphone:

- Position the boom microphone at a comfortable angle near your mouth.
- Ensure that the microphone is not obstructed during use.

5. Auto Shut Off Feature:

- The ear muffs are equipped with an auto shut off feature. You can set the duration for 2, 4, or 6 hours based on your preference.
- To activate, refer to the user settings in the ear muffs.

Disposal Instructions

- Dispose of the ear muffs in accordance with local waste disposal regulations.
- Remove batteries before disposal and recycle them at designated battery recycling points.
- Do not dispose of the ear muffs in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Walker's Game Ear Passive Bluetooth Ear Muffs, please reach out to the manufacturer or your local retailer for assistance. Ensure you have the model number and purchase details available for reference.

Thank you for your attention to these safety guidelines. Enjoy your Walker's Game Ear Passive Bluetooth Ear Muffs responsibly!
