

# TOURNIQUET NOW! STRAP TOURNIQUET HOLDER - BLUE FORCE GEAR TOURNIQUET NOW HOLDER, BLACK

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

TOURNIQUET NOW! STRAP TOURNIQUET HOLDER One of the most effective and simplest life saving devices - every warrior no matter what field of operation should have at least one tourniquet readily available. The Tourniquet NOW!™ Strap provides a low profile, secure, and quickly accessible tourniquet holder that can be mounted on any MOLLE platform where 3 vertical MOLLE loops are available. The elastic loops can fit a variety of NATO style tourniquets such as the SOF-T, C-A-T, and other similar sized tourniquets. The elastic loops of the TNS can fit smaller sized tourniquets or other items such as flex cuffs. The Tourniquet NOW!™ can be installed on top of the Trauma Kit NOW!™ or on either side of the Admin Pouch.

# TOURNIQUET NOW! STRAP TOURNIQUET HOLDER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TOURNIQUET NOW! Strap Tourniquet Holder by Blue Force Gear. This product is designed to provide a secure and accessible way to carry your tourniquet, ensuring that it is readily available in emergency situations. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the tourniquet holder is used only for its intended purpose, which is to securely hold a tourniquet.
- Regularly inspect the tourniquet holder for wear and tear, and replace it if any damage is observed.
- Keep the tourniquet holder out of reach of children to prevent accidental use.
- Avoid exposure to extreme temperatures and harsh chemicals, as these can degrade the materials.
- Always follow the manufacturer's instructions for the use of the tourniquet stored within the holder.

## Specific Safety Precautions for Use

- Before use, ensure that the tourniquet is compatible with the elastic loops of the holder.
- Do not overload the holder with multiple items, as this may compromise its effectiveness.
- Ensure that the holder is securely mounted on the MOLLE platform to prevent accidental detachment.
- Familiarize yourself with the operation of the tourniquet before an emergency arises to ensure quick and effective use.
- If the tourniquet holder becomes damaged or compromised, discontinue use immediately and replace it.

## Instructions for Installation and Usage

### Installation

1. **Select Mounting Location:** Choose a MOLLE platform that has at least three vertical MOLLE loops available.
2. **Attach the Holder:**
  - Thread the straps of the Tourniquet NOW! holder through the selected MOLLE loops.
  - Pull the straps tight to secure the holder in place.
3. **Test Security:** Gently tug on the holder to ensure it is firmly attached to the MOLLE platform.

### Usage

1. **Loading the Tourniquet:**
  - Place the tourniquet into the elastic loops of the holder.
  - Ensure that the tourniquet is securely held and easily accessible.
2. **Accessing the Tourniquet:**
  - In an emergency, quickly locate the tourniquet holder.
  - Remove the tourniquet from the holder with a swift motion.
3. **Follow Tourniquet Instructions:**
  - Refer to the instructions provided with the tourniquet for proper application techniques.

## Disposal Instructions

- When disposing of the Tourniquet NOW! holder, ensure it is done in accordance with local regulations for

textile waste.

- If the holder is damaged or no longer usable, consider recycling materials where possible.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product information, please refer to the manufacturer's website or customer service resources. Ensure you have the product details on hand for efficient assistance.

By following these guidelines, you contribute to your safety and the safety of those around you. Always remember that preparedness is key in emergency situations. Thank you for your attention to these important safety instructions.
