

TOURNIQUET NOW! STRAP TOURNIQUET HOLDER - BLUE FORCE GEAR TOURNIQUET NOW HOLDER, COYOTE BROWN

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

TOURNIQUET NOW! STRAP TOURNIQUET HOLDER One of the most effective and simplest life saving devices - every warrior no matter what field of operation should have at least one tourniquet readily available. The Tourniquet NOW!™ Strap provides a low profile, secure, and quickly accessible tourniquet holder that can be mounted on any MOLLE platform where 3 vertical MOLLE loops are available. The elastic loops can fit a variety of NATO style tourniquets such as the SOF-T, C-A-T, and other similar sized tourniquets. The elastic loops of the TNS can fit smaller sized tourniquets or other items such as flex cuffs. The Tourniquet NOW!™ can be installed on top of the Trauma Kit NOW!™ or on either side of the Admin Pouch.

TOURNIQUET NOW! STRAP TOURNIQUET HOLDER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TOURNIQUET NOW! Strap Tourniquet Holder by Blue Force Gear. This product is designed to securely hold your tourniquet, ensuring it is readily available in emergency situations. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure the product is used for its intended purpose as a tourniquet holder.
- Regularly inspect the tourniquet holder for wear and tear.
- Keep the tourniquet holder clean and free from debris.
- Store the product in a dry environment to prevent damage.
- Follow all local regulations regarding the use of medical devices.

Specific Safety Precautions for Use

- The tourniquet holder is designed for use with NATO style tourniquets such as the SOFT and CAT. Ensure compatibility before use.
- Avoid using the holder with damaged or expired tourniquets.
- Do not attempt to modify the tourniquet holder or its components.
- Ensure that the tourniquet is securely fastened within the holder to prevent accidental loss.
- Keep out of reach of children to prevent misuse.

Instructions for Installation and Usage

Installation

1. **Locate MOLLE Platform:** Identify a suitable MOLLE platform with at least 3 vertical MOLLE loops.
2. **Attach the Holder:**
 - Slide the straps of the Tourniquet NOW! holder through the MOLLE loops.
 - Ensure the holder is securely attached and does not move when pulled.
3. **Positioning:** You may install the holder on top of the Trauma Kit NOW! or on either side of the Admin Pouch for easy access.

Usage

1. **Insert Tourniquet:**
 - Place the tourniquet into the elastic loops of the holder.
 - Ensure that the tourniquet is oriented for quick access.
2. **Check Security:**
 - Pull gently on the tourniquet to ensure it is securely held in place.
3. **Emergency Access:**
 - In case of an emergency, quickly remove the tourniquet from the holder by pulling it out of the elastic loops.

Disposal Instructions

- Dispose of the Tourniquet NOW! holder in accordance with local waste disposal regulations.
- If the product is damaged or no longer needed, consider recycling options if available.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the manufacturer's contact information provided with your product packaging.

Important Note

In case of any accidents or unsafe product experiences, report them to the appropriate authorities. Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Thank you for prioritizing safety with the TOURNIQUET NOW! Strap Tourniquet Holder. Your preparedness can save lives.
