

# WIDE DOVETAIL FRONT SIGHT BLANK - HARRISON DESIGN & CONSULTING WIDE DOVETAIL SIGHT BLANK, .330 X 65 X .075

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Harrison Design Wide Front Sight Bland for the popular Novak 1911 front sight cut. Has a .625" wide dovetail base to allow shaping and blending the dovetails ends to match your slide's top radius. The dovetail has the correct Novak pattern 65° x .330" x .075" dovetail with a blade dimensions of .250" tall and .125" wide. CNC machined from 4140 carbon steel in the white. The roll pin is omitted to leave you the ability to match the spacing of any hole that may already be drilled in your slide. The sight blank makes a great basis for your custom front sight made to your specs.

# Safety Instruction Guide for WIDE DOVETAIL FRONT SIGHT BLANK

## Introduction

Thank you for choosing the WIDE DOVETAIL FRONT SIGHT BLANK by Harrison Design & Consulting. This product is designed for use with the popular Novak 1911 front sight cut. It is essential to follow all safety guidelines and instructions to ensure safe and effective use of this product.

## General Safety Guidelines

- Always handle the sight blank with care to avoid injury.
- Ensure that you are using the product in a wellventilated area.
- Keep the sight blank out of reach of children and vulnerable individuals.
- Inspect the sight blank for any signs of damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and installing the sight blank.
- Ensure that you are familiar with the tools and equipment needed for installation to prevent accidents.
- Avoid using excessive force during installation to prevent damage to the sight blank or your firearm.
- Do not modify the sight blank beyond its intended use as specified by the manufacturer.
- Store the sight blank in a safe and dry location when not in use.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and equipment for installation, including a proper fitting tool for the dovetail cut.
- Ensure that your firearm is unloaded and pointed in a safe direction.

### 2. Installation

- Align the .625" wide dovetail base of the sight blank with the dovetail cut on your slide.
- Gently tap the sight blank into place using a nonmarring hammer to avoid damage.
- Ensure that the sight blank is seated properly and securely.
- If necessary, adjust the sight blank to match your slide's top radius.

### 3. Usage

- After installation, check the alignment and stability of the sight blank before use.
- Make any necessary adjustments to ensure optimal performance.
- Regularly inspect the sight blank for signs of wear or damage during routine maintenance of your firearm.

## Disposal Instructions

- Dispose of the sight blank in accordance with local regulations regarding metal and firearm accessories.
- Do not dispose of the sight blank in regular household waste.

- Consider recycling options for metal components where applicable.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the WIDE DOVETAIL FRONT SIGHT BLANK, please contact the manufacturer directly through their official communication channels.

By following these guidelines, you can help ensure a safe and satisfactory experience with your WIDE DOVETAIL FRONT SIGHT BLANK. Thank you for your attention to safety.
