# Safety Instruction Guide for UNIVERSAL CLEANING KIT WITH BRASS CLEANING ROD

## Introduction

Thank you for purchasing the UNIVERSAL CLEANING KIT WITH BRASS CLEANING ROD. This product is designed to help you effectively clean your firearms. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the cleaning kit in a wellventilated area.
- Keep the cleaning kit out of reach of children and pets.
- Use personal protective equipment (PPE) such as gloves and safety glasses when handling cleaning chemicals.
- Do not use the cleaning kit for any purpose other than intended.
- Regularly inspect the cleaning tools for wear or damage before use.
- Dispose of used cleaning patches and chemicals according to local regulations.

## Specific Safety Precautions for Use

- Ensure that all firearms are unloaded and the actions are open before cleaning.
- Do not point the cleaning rod or any cleaning tool towards yourself or others.
- Handle brass cleaning rods with care to avoid injury.
- Avoid using excessive force when cleaning to prevent damage to your firearm.
- Store the cleaning kit in a cool, dry place away from direct sunlight.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all components of the cleaning kit including the brass cleaning rod, brushes, patches, and cleaning solutions.
- Ensure that the firearm is unloaded and in a safe condition for cleaning.

### 2. Assemble the Cleaning Rod:

- Connect the solid 3piece brass cleaning rod by screwing the sections together securely.
- Select the appropriate brush or jag for your firearm caliber.

### 3. Cleaning Process:

- Attach the selected brush or jag to the cleaning rod.
- Apply a small amount of cleaning solution to the brush or patch.
- Insert the cleaning rod into the barrel of the firearm from the chamber end.
- Gently push the rod through the barrel and pull it back out to remove fouling.
- Repeat this process as needed, using a clean patch or brush each time.

### 4. Final Steps:

- After cleaning, use a dry patch to remove any remaining cleaning solution.
- Inspect the firearm to ensure it is clean and free of any cleaning materials.
- Store all components of the cleaning kit securely in the reusable clamshell provided.

## **Disposal Instructions**

- Dispose of used cleaning patches and any leftover cleaning solutions in accordance with local waste disposal regulations.
- Do not dispose of cleaning chemicals down the drain or in regular trash unless specified by local guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the UNIVERSAL CLEANING KIT WITH BRASS CLEANING ROD, please refer to the product packaging or visit the manufacturer's website for additional support.

Thank you for following these safety guidelines to ensure a safe and effective cleaning experience with your new product.
