

# DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS - PROOF RESEARCH 6.5MM CREEDMOOR 1-8" TWIST 24" SENDERO CONTOUR

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

PROOF Research pre-fit carbon fiber & steel barrels for the Defiance Ruckus are to be installed in a simple operation requiring few specialized tools. Their pre-fit barrels are chambered and threaded for a simple install that require only a few specialized tools. Simply torque your barrel on, double check headspace with proper gauges and head to the range! Unprecedented accuracy and performance - it does not get much better than our Defiance Ruckus carbon fiber & steel pre-fit barrels. Carbon Fiber barrels are 64% lighter than traditional Steel barrels. Improved heat Dissipation for cooler and longer lasting barrels. Wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin. PROOF drop-in barrels are designed to fit Defiance Ruckus, Tenacity and Anti actions with the 'Recessed' bolt nose option only and will not be compatible with actions that have cone, flat, or control round feed bolts.

# DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS by PROOF Research. This guide provides essential safety instructions and guidelines for the proper installation and use of your new barrel. Please read this document carefully to ensure safe operation and maintenance.

## General Safety Guidelines

- Always handle firearms and accessories with care to prevent accidents.
- Ensure that the barrel is compatible with your firearm model before installation.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- In case of any doubts or concerns regarding safety, consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Do not exceed the recommended cartridge specifications for the barrel.
- Ensure that the barrel is securely attached to the firearm before use.
- Always check headspace with proper gauges after installation.
- Avoid using the barrel in conditions that may cause overheating or excessive wear.
- If you notice any unusual sounds or performance issues while using the barrel, discontinue use immediately and consult a professional.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools for installation, including a torque wrench and headspace gauges.
- Ensure that your workspace is clean and free of distractions.

### 2. Installation:

- Remove the existing barrel from your Defiance Ruckus firearm, following the manufacturer's instructions.
- Align the new carbon fiber barrel with the action, ensuring proper fit.
- Torque the barrel to the manufacturer's specifications using the torque wrench.
- Doublecheck headspace using proper gauges to ensure safety and accuracy.

### 3. Usage:

- Once installed, take your firearm to a safe shooting range.
- Follow all range rules and regulations while using your firearm.
- Regularly clean and maintain your barrel to ensure optimal performance and longevity.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with your local waste management regulations.
- If the barrel becomes damaged or is no longer usable, consult local regulations for proper disposal methods.
- Do not dispose of the barrel in regular household waste. Look for specialized recycling programs for metal and carbon fiber materials.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS, please refer to the manufacturer's contact point within the EU. Ensure that you have your product details ready for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS!
