

# TIKKA T3X DROP IN 6.5 CREEDMOOR CARBON FIBER BARRELS - PROOF RESEARCH 6.5 CREEDMOOR 1-8 TWIST 22" CARBON FIBER SENDERO BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

## Attributes

- Name: [PROOF RESEARCH 6.5 CREEDMOOR 1-8 TWIST 22" CARBON FIBER SENDERO BARREL](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 100046290
- Mfr. No.: 115145
- Barrel Weight: 2.12 lbs
- Cartridge: 6.5 Creedmoor
- Contour: Sendero
- Finish: Carbon Fiber
- Length: 22"
- Model: T3x
- Muzzle Threads: 5/8-24
- Twist: 1-8
- Weapon type: Tikka
- Delivery weight: 1.497kg
- Shipping height: 76mm
- Shipping width: 89mm
- Shipping length: 635mm
- UPC: 843068115145

## Item details

Made in USA

US export classification: 0A501.c

# TIKKA T3X DROP IN 6.5 CREEDMOOR CARBON FIBER BARRELS Safety Instruction Guide

## Introduction

Thank you for choosing the TIKKA T3X DROP IN 6.5 CREEDMOOR CARBON FIBER BARREL by PROOF Research. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your new barrel. Please read this document carefully before installation and use.

## General Safety Guidelines

To ensure your safety and the optimal performance of your barrel, please adhere to the following guidelines:

- Ensure that all firearms are handled responsibly and stored securely.
- Always treat firearms as if they are loaded.
- Use appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect your barrel for any signs of damage or wear.
- Follow all local laws and regulations regarding firearms.

## Specific Safety Precautions for Use

When using the TIKKA T3X DROP IN 6.5 CREEDMOOR CARBON FIBER BARREL, please consider the following safety precautions:

- **Installation:** Only qualified gunsmiths should install the barrel to ensure proper threading and chambering.
- **Ammunition:** Use only recommended ammunition for the 6.5 Creedmoor cartridge. Verify compatibility with your firearm.
- **Heat Management:** Be aware that highvolume firing can lead to increased barrel temperatures. Allow the barrel to cool down between uses to prevent overheating.
- **Vibration Management:** The barrel is designed to minimize harmonic vibration, but excessive firing may still cause shifts in pointofimpact. Regularly check your zero.
- **Inspection:** After each use, inspect the barrel for any signs of cracks, dents, or other damage. Do not use the barrel if any damage is detected.

## Instructions for Installation and Usage

To ensure safe and effective installation and use of your barrel, please follow these instructions:

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Consult a qualified gunsmith for the installation process to ensure proper threading and chambering.
- Verify that the barrel is securely attached before proceeding to use.

### 2. Usage:

- Load the firearm with the appropriate 6.5 Creedmoor ammunition.
- Engage in shooting activities only in designated, safe areas.
- Maintain a proper shooting stance and grip to ensure control of the firearm.
- Monitor the condition of the barrel during use, looking for signs of excessive heat or wear.

### 3. **PostUse Care:**

- Clean the barrel according to the manufacturer's recommendations to maintain performance and longevity.
- Store the firearm in a secure location, ensuring that it is unloaded.

## **Disposal Instructions**

When it comes time to dispose of your barrel, please follow these guidelines to ensure safe and responsible disposal:

- Do not dispose of the barrel in regular household waste.
- Contact local authorities or a licensed firearms dealer for guidance on proper disposal methods.
- Ensure that any hazardous materials associated with the barrel are handled according to local regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding your TIKKA T3X DROP IN 6.5 CREEDMOOR CARBON FIBER BARREL, please refer to the manufacturer's website or customer service resources for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your TIKKA T3X DROP IN 6.5 CREEDMOOR CARBON FIBER BARREL. Always prioritize safety and responsible firearm handling. Thank you for choosing PROOF Research.
