

RUGER PRECISION DROP IN 6.5 CREEDMOOR STAINLESS STEEL BARRELS - PROOF RESEARCH 6.5 CREEDMOOR 1-8 TWIST 24" STAINLESS STEEL SENDERO BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. When PROOF Research joined with Lawrence Barrels in 2012, they acquired 15 years of experience in manufacturing precision steel barrels. PROOF now manufactures stainless steel barrels in-house with an absolute commitment to extreme accuracy and quality. They start with double stress-relieved 416R stainless steel, a pre-hardened chromium stainless steel ideally suited for use in precision, match-grade rifle barrels. 416R was specifically designed by engineers in collaboration with barrel makers and rifle manufacturers to provide the consistency, high quality and durability the firearms industry demands.

RUGER PRECISION DROP IN 6.5 CREEDMOOR STAINLESS STEEL BARRELS PROOF RESEARCH 6.5 CREEDMOOR 18 TWIST 24" STAINLESS STEEL SENDERO BARREL Safety Instruction Guide

Introduction

Thank you for purchasing the RUGER PRECISION DROP IN 6.5 CREEDMOOR STAINLESS STEEL BARREL. This guide provides essential safety instructions to ensure the safe use and maintenance of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that all safety instructions are followed to prevent accidents and injuries.
- Always handle firearms and related components with care and responsibility.
- Store the barrel in a secure place, away from children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear.
- Use only compatible firearms and ammunition as specified by the manufacturer.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling or using firearms.
- Do not use the barrel if it shows signs of damage, such as cracks or significant wear.
- Ensure that the firearm is unloaded before installing or removing the barrel.
- Follow the manufacturer's guidelines for installation and usage to avoid potential hazards.
- Be aware of your surroundings and ensure a safe environment when using firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation, including a wrench and appropriate cleaning supplies.
- Work in a clean, dry area free from distractions.

2. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Align the new RUGER PRECISION barrel with the receiver of the firearm.
- Securely tighten the barrel using the wrench, ensuring it is properly fitted.

3. Usage:

- Always check the barrel and firearm for proper assembly before each use.
- Use only 6.5 Creedmoor cartridges as specified.
- Follow all local laws and regulations regarding firearm use.

4. PostUse:

- Clean the barrel after each use to maintain performance and safety.
- Store the barrel in a designated safe area, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or unusable barrels in accordance with local regulations.
- Do not dispose of firearms or barrels in regular household waste.
- Contact local authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the RUGER PRECISION DROP IN 6.5 CREEDMOOR STAINLESS STEEL BARREL, please reach out to the appropriate EUbased contact point for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new barrel. Always prioritize safety and responsibility when handling firearms.
