

TIKKA T3X DROP IN 6.5 PRC CARBON FIBER BARRELS - 6.5 PRC 7.5 TWIST 26" CARBON FIBER SENDERO BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

TIKKA T3X DROP IN 6.5 PRC CARBON FIBER BARRELS Safety Instruction Guide

Introduction

Thank you for choosing the TIKKA T3X DROP IN 6.5 PRC CARBON FIBER BARREL. This guide provides essential safety instructions to help you use the product safely and effectively. Please read this document carefully before installation and use to ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with the operation of boltaction rifles before using this barrel.
- Always handle firearms safely and responsibly.
- Store the barrel in a cool, dry place, away from direct sunlight and moisture.
- Inspect the barrel for any signs of damage before installation and use.
- Follow all local laws and regulations regarding the use and ownership of firearms.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Only use the barrel with compatible Tikka T3x rifles.
- Ensure that a qualified gunsmith performs the installation to guarantee proper threading and chambering.
- Do not exceed the recommended cartridge specifications (6.5 PRC) to avoid potential hazards.
- Use appropriate safety gear, including eye protection, when firing your rifle.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the barrel in adverse weather conditions that may affect performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools and equipment before beginning the installation.
- Verify that your rifle is unloaded and safe to handle.

2. Installation:

- Consult a qualified gunsmith for professional installation of the barrel.
- The gunsmith will thread and chamber the barrel according to specifications.
- After installation, check for proper alignment and fit.

3. Usage:

- Clean the barrel regularly to maintain performance and longevity.
- Follow the manufacturer's recommendations for ammunition and firing practices.
- Monitor the barrel for any signs of wear or damage during use.

4. PostUse Care:

- After use, clean the barrel thoroughly to prevent corrosion and maintain accuracy.
- Store the rifle in a secure location when not in use.

Disposal Instructions

- Dispose of any damaged or worn barrels in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For further support and inquiries regarding the TIKKA T3X DROP IN 6.5 PRC CARBON FIBER BARREL, please reach out to the appropriate EUbased contact. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TIKKA T3X DROP IN 6.5 PRC CARBON FIBER BARREL. Thank you for your attention to safety.
