

BOLT-ACTION 277 CALIBER CARBON FIBER BARRELS - PROOF RESEARCH 277 CALIBER 8.4 TWIST 24" CARBON FIBER SENDERO BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

BOLTACTION 277 CALIBER CARBON FIBER BARRELS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the BOLTACTION 277 CALIBER CARBON FIBER BARREL by PROOF RESEARCH. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your new barrel. It is important to follow these instructions to prevent accidents and ensure optimal performance.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the barrel by following all instructions provided. This product is designed for use with firearms; improper use may result in serious injury or death.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided to remedy any safety issues.
- **Online Shopping Safety:** If purchasing online, ensure that the retailer complies with safety requirements and provides clear product information.
- **Special Consumer Focus:** This product is not intended for use by children. Keep all components out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the product packaging or retailer for EU-based contact information.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Installation:**
 - Ensure that installation is performed by a qualified gunsmith.
 - Verify that the barrel is compatible with your firearm before installation.
- **Handling:**
 - Always treat the barrel as if it is loaded.
 - Keep the muzzle pointed in a safe direction at all times.
 - Wear appropriate eye and ear protection when handling firearms.
- **Usage:**
 - Only use ammunition that is specifically designed for the 277 caliber.
 - Avoid using the barrel in extreme weather conditions that could affect performance.
 - Regularly inspect the barrel for signs of damage or wear.
- **Storage:**
 - Store the barrel in a secure location, away from unauthorized users.
 - Use a protective case or cover to prevent scratches and damage.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel following the manufacturer's instructions.

- Align the new BOLTACTION 277 CALIBER CARBON FIBER BARREL with the receiver.
- Securely fasten the barrel according to the specifications provided by your gunsmith.
- Check for proper alignment and fit before proceeding.

2. Usage:

- Load the firearm with the appropriate 277 caliber ammunition.
- Conduct a function check to ensure the firearm operates correctly with the new barrel.
- Fire the firearm in a safe environment, following all standard shooting practices.
- Monitor the performance of the barrel during use and be aware of any unusual sounds or behaviors.

3. Maintenance:

- Clean the barrel regularly to maintain performance and longevity.
- Use cleaning products that are safe for carbon fiber materials.
- Inspect the barrel after each use for signs of wear, damage, or corrosion.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- Do not discard in regular trash; check for recycling options or designated disposal sites for firearms.
- Ensure that any disposed components are rendered inoperable to prevent misuse.

Contact Information for Further Support

For any further inquiries regarding safety, installation, or maintenance of the BOLTACTION 277 CALIBER CARBON FIBER BARREL, please refer to the product packaging or retailer for the appropriate contact information.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your new BOLTACTION 277 CALIBER CARBON FIBER BARREL. Thank you for prioritizing safety and responsible firearm use.
