Safety Instruction Guide for the 11" High Speed Case Feed Plates Mark 7 Reloading

Introduction

Thank you for choosing the 11" High Speed Case Feed Plates by Mark 7 Reloading. This product is designed to enhance your reloading experience by providing a reliable and efficient way to feed cases. However, to ensure your safety and the safety of others, please read this guide carefully before using the product.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the case feeder plate is compatible with your reloading setup before use.
- Do not overload the feeder plate beyond its specified capacity.
- Avoid placing hands or any body parts near moving parts during operation.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Do not use the product if it appears damaged or malfunctioning.

Instructions for Installation and Usage

Installation

1. **Unpack the Product:** Carefully remove the case feed plate from the packaging.
2. **Check Compatibility:** Ensure that the plate fits your Mark 7 11" High Speed Case Feeder.
3. **Secure the Plate:** Follow these steps to install:
 - Align the plate with the feeder.
 - Secure it using the provided screws or locking mechanisms.
 - Ensure that it is firmly attached and does not wobble.

Usage

1. **Preparation:** Before starting, ensure that your workspace is clean and free of obstructions.
2. **Loading Cases:**
 - Place the cases in the designated area of the feed plate.
 - Ensure they are properly aligned to prevent jams.
3. **Operation:**
 - Turn on the feeder and monitor the operation.
 - If you notice any irregularities, stop the machine immediately.
4. **Maintenance:**
 - Regularly clean the feed plate to prevent residue buildup.
 - Lubricate moving parts as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.

- Check for recycling options in your area to ensure environmentally friendly disposal.

Contact Information for Further Support

For any inquiries or support regarding the 11" High Speed Case Feed Plates, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your reloading experience!
