Product Safety Instruction Guide for the 11" High Speed Case Feed Plates Mark 7 Reloading

Introduction

Thank you for choosing the 11" High Speed Case Feed Plates for your Mark 7 Reloading system. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for updates regarding product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the case feeder plate is compatible with your specific reloading setup.
- Do not overload the feeder plate beyond its recommended capacity.
- Avoid placing your hands near moving parts during operation to prevent injury.
- Use protective eyewear when operating the reloading system.
- Always turn off and unplug the system when performing maintenance or adjustments.
- Be aware of your surroundings and ensure the workspace is clear of obstructions.

Instructions for Installation and Usage

Installation

1. **Unpack the Product:** Carefully remove the case feeder plate from the packaging. Inspect for any damage.
2. **Positioning:** Place the case feeder plate on a stable, flat surface. Ensure it is aligned with your reloading press.
3. **Attachment:** Securely attach the case feeder plate to the reloading press according to the manufacturer's instructions. Ensure all screws and fasteners are tightened properly.
4. **Connection:** If applicable, connect any necessary power or control cables to the system.

Usage

1. **Preparation:** Before use, ensure all components are properly assembled and secured.
2. **Loading Cases:** Load the cases onto the feeder plate as directed. Do not exceed the recommended capacity.
3. **Operation:** Activate the feeder system following the manufacturer's guidelines. Monitor the operation closely for any irregularities.
4. **Monitoring:** Continuously check that cases are feeding correctly. If any jams occur, stop the operation immediately and resolve the issue before continuing.
5. **Shutting Down:** After use, turn off the system and unplug it before cleaning or maintenance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and plastic

materials.

- Do not dispose of the product in regular household waste.
- If applicable, remove any batteries or electronic components before disposal.

Contact Information for Further Support

For safety inquiries or further support, please contact your local distributor or the manufacturer directly. Make sure to have your product details ready for assistance.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and successful reloading experience.
