

ENHANCED MAGAZINE PLATE FOR HECKLER & KOCH VP9 - STRIKE INDUSTRIES ENHANCED MAGAZINE PLATE FOR HECKLER & KOCH VP9

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The Strike Industries Extended Magazine Plate for HK VP9 was designed to provide smoother magazine reloading through a slow drag / no snag design while maintaining maximum magazine capacity. The Extended Magazine Plate (EMP) adds plus 5 9mm rounds to OEM Heckler & Koch magazines. Following the success of our EMP systems for pistols, the form factor and unique geometric design gives a unified and aggressive aesthetic look to your HK VP9. Included is a steel locking plate which adds extra locking security. Give your HK pistol the extra rounds it deserves with the Strike Industries Extended Magazine Plate (EMP) for Heckler & Koch VP9. COMPATIBILITY: Heckler & Koch VP9 magazines (except SK) NOT COMPATIBLE: Heckler & Koch VP9SK

Safety Instruction Guide for the Enhanced Magazine Plate for Heckler & Koch VP9

Introduction

Thank you for choosing the Strike Industries Enhanced Magazine Plate (EMP) for your Heckler & Koch VP9. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your magazine plate. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the Enhanced Magazine Plate is compatible with your specific model of Heckler & Koch VP9.
- Always follow the manufacturer's instructions for use and installation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine plate for any signs of wear or damage.
- Do not use the magazine plate if it appears damaged or compromised.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Enhanced Magazine Plate only with genuine Heckler & Koch VP9 magazines (except SK).
- Do not modify the magazine plate or attempt to alter its design.
- Ensure that the magazine is properly seated in the firearm before use.
- Avoid overloading the magazine beyond its specified capacity.
- Store the magazine and the Enhanced Magazine Plate in a secure location when not in use.
- Always handle firearms safely and responsibly, following all applicable laws and regulations.

Instructions for Installation and Usage

Installation Instructions

1. Prepare for Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, if required.

2. Remove the Existing Magazine Base Plate:

- Press the magazine release button and remove the magazine from the firearm.
- Locate the existing base plate on the magazine and follow the manufacturer's instructions to remove it.

3. Attach the Enhanced Magazine Plate:

- Align the Enhanced Magazine Plate with the magazine.
- Press down firmly until the plate clicks into place, ensuring it is securely attached.

4. Check for Proper Fit:

- Inspect the magazine to ensure that the Enhanced Magazine Plate is properly seated and locked in place.

Usage Instructions

- Load the magazine with the appropriate number of rounds (up to 5 additional 9mm rounds).
- Insert the magazine into the firearm, ensuring it is fully seated.
- Conduct a function check to confirm that the magazine operates correctly with the Enhanced Magazine Plate.

Disposal Instructions

- Dispose of the Enhanced Magazine Plate in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the Enhanced Magazine Plate for Heckler & Koch VP9, please refer to the manufacturer's website or customer service. Ensure you have the product details and any relevant information ready for assistance.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your enhanced shooting experience with the Strike Industries Enhanced Magazine Plate!
