

# KP-15 OPTIMIZED AMBI SELECTOR - KE ARMS KP-15 OPTIMIZED AMBI SELECTOR WEDGE

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

The KP-15 Optimized Ambi Selector is made to be more easily removed from the KE Arms KP-15 Polymer Lower. Each side has the track notched so it can be placed halfway between safe and fire and pushed out with the selector arms removed. 6061-T6 Billet machined ambidextrous selector, Mil 8625 Type III Class 2 anodized. Reversible for traditional 90 degree arc, or short throw 45 degree arc. Allows operator to manipulate safety from either side of weapon. 17-4 Stainless Steel shaft, black melonite coated. Allen wrench included.

# KP15 Optimized Ambi Selector Safety Instruction Guide

## Introduction

Thank you for choosing the KP15 Optimized Ambi Selector by KE Arms. This safety instruction guide is designed to provide you with important information regarding the safe use, installation, and disposal of this product. Please read this guide carefully to ensure proper handling and compliance with safety regulations.

## General Safety Guidelines

- Ensure that the KP15 Optimized Ambi Selector is installed correctly to prevent any malfunction.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep the selector in the safe position when not in use to prevent accidental discharge.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the selector for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the selector only with the KE Arms KP15 Polymer Lower for which it is designed.
- Do not attempt to modify or alter the selector in any way.
- Ensure that the weapon is pointed in a safe direction when manipulating the selector.
- Avoid using excessive force when installing or removing the selector.
- Always follow your firearm's user manual for additional safety instructions and guidelines.

## Instructions for Installation and Usage

### Installation

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the selector arms from the KP15 Optimized Ambi Selector.
3. Align the selector with the track notches on the KE Arms KP15 Polymer Lower.
4. Insert the selector halfway between the safe and fire positions.
5. Push the selector out while ensuring the selector arms are removed.
6. Reattach the selector arms securely.

### Usage

- To operate the selector, simply move it to the desired position (safe or fire) using either side of the weapon.
- For traditional operation, use the 90degree arc. For a more compact operation, utilize the short throw 45degree arc.
- Always confirm that the selector is in the desired position before discharging the firearm.

## Disposal Instructions

- Dispose of the KP15 Optimized Ambi Selector in accordance with local regulations.
- Do not dispose of the selector in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**
