SHOT SHELL SLING BLACKHAWK SHOTGUN SHELL SLING BLACK Safety Instructions

Introduction

Thank you for purchasing the SHOT SHELL SLING BLACKHAWK SHOTGUN SHELL SLING BLACK. This adjustable twopoint shotgun shell sling is designed to carry 15 extra shells for quick access. To ensure safe and proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the sling is suitable for your specific shotgun model before use.
- Always inspect the sling for any damage or wear before each use.
- Keep the sling and shells out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use and carrying of firearms and ammunition.
- Do not exceed the maximum load capacity of 15 shells, as this may compromise safety and functionality.
- Always use the sling in a safe environment, free from obstructions or hazards.

Specific Safety Precautions for Use

- When attaching the sling to your shotgun, ensure that it is securely fastened to prevent accidental detachment.
- Avoid using the sling in wet or slippery conditions, which may affect your grip and control.
- Be aware of your surroundings and ensure that you have a clear line of sight when accessing shells from the sling.
- Do not use the sling for purposes other than carrying shotgun shells; misuse may lead to accidents or injuries.
- Always treat your shotgun as if it is loaded, and follow the basic rules of firearm safety.

Instructions for Installation and Usage

1. Installation:

- Locate the attachment points on your shotgun where the sling will be secured.
- Attach the sling to the front and rear swivel points, ensuring that the connections are tight and secure.
- Adjust the length of the sling as needed to fit comfortably across your body.

2. Usage:

- Load the sling with up to 15 shotgun shells, ensuring they are positioned securely in the designated pockets.
- When accessing shells, do so with one hand while maintaining a firm grip on the shotgun with the other hand.
- After use, remove any unused shells from the sling and store them in a safe location.

Disposal Instructions

- Dispose of the sling in accordance with local waste disposal regulations.
- If the sling is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the sling in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SHOT SHELL SLING BLACKHAWK SHOTGUN SHELL SLING BLACK, please refer to the contact information provided with your product packaging. You can also check for recall updates on the EU's Safety Gate platform to stay informed about any safety issues related to this product.

Thank you for prioritizing safety while using the SHOT SHELL SLING BLACKHAWK SHOTGUN SHELL SLING BLACK. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
