

BLADE 1X25MM PRISM SIGHT - SWAMPFOX OPTICS BLADE 1X25MM GREEN IR BRC RETICLE PRISM SIGHT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Red Dot Sights](#)

Blade is the mission-driven, wide angle 1x prism scope dedicated for home defense and law enforcement. It sports handy Auto-On Shake N' Wake technology. Blade's revolutionary Bullet Rise Compensating reticle compensates for optic height over bore at just 5, 10, and 15 yards when mounted on an AR-15. Available with red or green illumination, Blade's etched reticle appears black when illumination is off. Blade is an excellent choice for shooters with astigmatism who have issues with dot sights. When you need speed and precision at in-your-face distances, trust the Blade. Eye Relief: 3.8"

Safety Instruction Guide for BLADE 1X25MM PRISM SIGHT

Introduction

Thank you for choosing the BLADE 1X25MM Prism Sight by Swampfox Optics. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your new sight. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is suitable for your intended use and that you understand its operation.
- Always handle the prism sight with care to avoid damage.
- Keep the prism sight out of reach of children and unauthorized users.
- Do not use the sight for purposes other than those for which it was designed.
- Regularly inspect the sight for any signs of wear or damage before use.
- If you notice any malfunction or damage, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- **Eye Safety:** Always maintain a safe distance from the sight when in use to protect your eyes from potential recoil or debris.
- **Battery Handling:**
 - Use only the specified CR123A battery.
 - Do not mix old and new batteries.
 - Dispose of batteries properly in accordance with local regulations.
- **Illumination Caution:** The sight features red or green illumination. Ensure that the brightness settings are adjusted appropriately to avoid eye strain.
- **Environmental Considerations:**
 - Avoid exposing the sight to extreme temperatures, moisture, or corrosive substances.
 - Store the sight in a protective case when not in use.

Instructions for Installation and Usage

Installation

1. Mounting the Sight:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Attach the prism sight securely to the rail of your AR15 using the provided mounting hardware.
- Check that the sight is level and aligned with the bore of the firearm.

2. Battery Installation:

- Open the battery compartment.
- Insert the CR123A battery, ensuring correct polarity.
- Close the compartment securely.

Usage

1. Adjusting the Reticle:

- Turn on the sight using the power button.

- Select your desired brightness setting from the 12 available options.
- Adjust the reticle as needed for windage and elevation using the click adjustments.

2. Shooting:

- Ensure a proper shooting stance and grip on your firearm.
- Align the reticle with your target and focus on the sight for optimal accuracy.
- Practice regularly to become familiar with the sight's performance.

Disposal Instructions

- Dispose of the sight and its components in accordance with local regulations.
- Do not dispose of electronic waste in regular trash.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding the BLADE 1X25MM Prism Sight, please reach out to the appropriate contact points provided by the manufacturer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your BLADE 1X25MM Prism Sight. Thank you for your attention to safety and responsible usage.
