

# BORE-MAX SMART ROD - REAL AVID 30 CALIBER 36" CARBON FIBER CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Upgraded comfort grip made for pushing and pulling jags, patches and brushes through the bore. Easier on your wrist and hands due to the vertical grip versus traditional horizontal screwdriver grips commonly found on other cleaning rods which are designed for tuning, not pushing and pulling. The premium carbon fiber rod easily turns through the bore following the rifling thanks to the ultra-glide bearing. The ultra-glide bearing provides smooth rotation through the bore to effectively follow and clean lands and grooves. Included with the Smart Rod is a wall hanger storage bracket that cradles the handle and lets the rod hang vertically to prevent deformation and damage.

## Attributes

- Name: [REAL AVID 30 CALIBER 36" CARBON FIBER CLEANING ROD](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047704
- Mfr. No.: AVBMSR3036

# **BOREMAX SMART ROD REAL AVID 30 CALIBER 36" CARBON FIBER CLEANING ROD Safety Instruction Guide**

## **Introduction**

Thank you for choosing the BOREMAX SMART ROD for your firearm maintenance needs. This cleaning rod is designed to provide a safe and efficient way to clean your rifle. Please read this safety instruction guide carefully to ensure safe usage and maintenance of the product.

## **General Safety Guidelines**

- Always handle firearms and cleaning equipment with care.
- Ensure that the firearm is unloaded before using the cleaning rod.
- Store the cleaning rod in a safe place, out of reach of children.
- Regularly inspect the cleaning rod for signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## **Specific Safety Precautions for Use**

- Use the cleaning rod only for its intended purpose: cleaning 30 caliber firearms.
- Do not use excessive force when pushing or pulling jags, patches, or brushes through the bore.
- Ensure that the ultraglide bearing is functioning properly for smooth operation.
- Avoid using the cleaning rod if it appears damaged or if the handle is not securely attached.
- Do not use the cleaning rod in a manner that is inconsistent with the manufacturer's instructions.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure your firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including jags, patches, and brushes.

### **2. Using the Cleaning Rod**

- Insert the appropriate jag or brush onto the end of the cleaning rod.
- Carefully insert the rod into the bore, ensuring it follows the rifling.
- Gently push or pull the rod through the bore, using the upgraded comfort grip for better handling.
- Repeat the process as necessary, changing jags or patches as needed to ensure thorough cleaning.

### **3. Storage**

- After cleaning, remove the jag or brush from the rod.
- Clean the rod with a soft cloth to remove any residue.
- Use the included wall hanger storage bracket to hang the rod vertically, preventing deformation and damage.

## **Disposal Instructions**

- Dispose of any used patches, brushes, or cleaning materials in accordance with local regulations.
- If the cleaning rod becomes damaged beyond repair, check local waste management guidelines for

disposal options.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the BOREMAX SMART ROD, please reach out to the designated EU contact point provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure safe and effective use of the BOREMAX SMART ROD. Thank you for prioritizing safety in your firearm maintenance practices.
