Safety Instruction Guide for EPC Lower Parts Kit with MOE Grip

Introduction

Thank you for choosing the EPC Lower Parts Kit with MOE Grip from Aero Precision. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure you are familiar with the laws and regulations regarding firearm parts in your country or region.
- Always handle all firearm components with care and respect.
- Store all parts in a secure location, out of reach of children and unauthorized individuals.
- Inspect all parts for damage or defects before installation. Do not use damaged parts.
- Follow all instructions provided in this guide for safe assembly and usage.
- If you are unsure about any aspect of the installation or use, seek assistance from a qualified gunsmith.

Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the firearm is pointed in a safe direction at all times.
- Wear safety glasses and hearing protection when using your firearm.
- Be aware of your target and what lies beyond it.
- Do not modify any parts of the kit unless specified in this guide.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have a clean, welllit workspace.
- Gather all necessary tools before starting the installation.

2. Assembly Steps:

- Begin by installing the takedown/pivot spring and detent.
- Insert the hardened trigger/hammer pins into the designated holes.
- Install the takedown pin and pivot pin securely.
- Attach the bolt catch along with its spring and buffer.
- Install the safety selector, ensuring it moves freely.
- Attach the Magpul MOE® grip using the pistol grip screw.
- Finally, check that all components are securely fastened and function properly.

3. PostInstallation Check:

- After assembly, conduct a thorough inspection to ensure all parts are correctly installed.
- Test the safety selector and trigger function without ammunition present.
- Store the assembled lower receiver in a safe location.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact local authorities for guidance on proper disposal methods for firearm parts.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product information, please refer to the manufacturer's contact details provided with your product packaging or visit their official website.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure the safe use and installation of your EPC Lower Parts Kit with MOE Grip. Always stay informed about safety practices and regulations related to firearms. Thank you for your attention to safety.
