# BARREL SHIM SET 5/8" INNER DIAMETER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BARREL SHIM SET 5/8" INNER DIAMETER from YANKEE HILL MACHINE CO., INC. This product is designed to help you correctly orient a timed muzzle device. Please read and follow these safety instructions carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as eye protection, when handling this product.
- Inspect the product before use to ensure it is free from defects.
- Do not use the product if it shows any signs of damage.
- Report any unsafe conditions or product defects to the manufacturer or relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to malfunctions or accidents.
  - Sharp edges on shims may cause cuts or injuries.
- **Avoiding Hazards:**
  - Always install the shims in accordance with the provided instructions.
  - Handle shims carefully to avoid cuts.
  - Ensure that all components are securely fastened before use.
  - Do not exceed the recommended torque settings during installation.
- **Age Restrictions:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench.
- Ensure that the work area is clean and welllit.

### 2. Installation Steps:

- Identify the muzzle device that will be used with the shim set.
- Select the appropriate shim thickness based on the required orientation.
- Place the shim(s) between the muzzle device and the barrel.
- Tighten the muzzle device to the barrel with the torque wrench, following the manufacturer's specifications for torque settings.
- Doublecheck that all components are securely in place.

### 3. Usage Instructions:

- After installation, inspect the assembly for any movement or looseness.
- Regularly check the shim set during use to ensure it remains secure.
- If any issues are detected, disassemble the components and recheck the installation.

## Disposal Instructions

- Dispose of any unused or damaged shims in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options if available.

## Contact Information for Further Support

For any questions or concerns regarding the BARREL SHIM SET 5/8" INNER DIAMETER, please reach out to your local distributor or the manufacturer directly for assistance.

**Important Note:** This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR). It is essential to keep this guide for reference and ensure safe usage of the product. Always stay informed about product recalls and safety updates via the EU's Safety Gate platform.
