

M-BRACE SCOPE MOUNTS - AMERICAN RIFLE COMPANY 34MM 1.26" 10 MOA SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The M-BRACE Scope Mounting System embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. NOTE: When attached to the far aft recoil slot in the picatinny rail on an action with 90 degree bolt rotation, the 32mm height M-BRACE serrated interface block may interfere with the bolt handle when opened. This issue can usually be avoided by moving the mount forward 1 slot in the picatinny rail. Torque spec: 6.2 Nm (55 in-lbs) on scope clamp and rail mount screws. Torque spec: 3.4 Nm (30 in-lbs) on bubble level screw.

Attributes

- Name: [AMERICAN RIFLE COMPANY 34MM 1.26" 10 MOA SCOPE MOUNT BLACK](#)
- Manufacturer: [AMERICAN RIFLE COMPANY](#)
- Product no.: 100050412
- Mfr. No.: MB-M-34-32-10
- Elevation: 10 MOA
- Finish: Black
- Height: 1.26"
- Scope Tube Diameter: 34mm
- Style: Picatinny
- Delivery weight: 0.404kg
- Shipping height: 89mm
- Shipping width: 76mm
- Shipping length: 140mm
- UPC: 810094450328

MBRACE Scope Mount Safety Instruction Guide

Introduction

Thank you for choosing the MBRACE Scope Mount by American Rifle Company. This guide provides essential safety instructions and guidelines for the proper use and installation of your scope mount to ensure a safe and enjoyable experience.

General Safety Guidelines

- Always ensure that the scope mount is compatible with your rifle and scope specifications.
- Inspect the scope mount for any visible damage or defects before installation.
- Ensure that the installation area is clean and free from debris.
- Keep the scope mount out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- When using the MBRACE Scope Mount, be aware of the following potential hazards:
 - Interference with the bolt handle when mounted in certain positions.
 - Risk of improper torque leading to equipment failure.
- To avoid hazards:
 - Always check for bolt handle clearance after installation.
 - Use the specified torque values to secure the mount properly:
 - 6.2 Nm (55 inlbs) on scope clamp and rail mount screws.
 - 3.4 Nm (30 inlbs) on bubble level screw.
- If you experience any issues with the mount, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools: torque wrench, appropriate screwdrivers, and cleaning materials.
- Ensure that your rifle's picatinny rail is clean and free of obstructions.

2. Installation:

- Position the MBRACE Scope Mount on the picatinny rail, ensuring it is aligned properly.
- If using the far aft recoil slot, check for clearance with the bolt handle.
- If interference occurs, move the mount forward by one slot on the rail.

3. Securing the Mount:

- Use the torque wrench to tighten the scope clamp and rail mount screws to the specified torque of 6.2 Nm (55 inlbs).
- Tighten the bubble level screw to a torque of 3.4 Nm (30 inlbs).
- Doublecheck all screws to ensure they are secure.

4. Final Inspection:

- Inspect the installation to ensure that everything is properly aligned and secured.
- Check for any movement or looseness in the mount before using the rifle.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please reach out to your local retailer or the manufacturer directly. Always ensure you have the most up-to-date information and guidance.

By following these guidelines, you can ensure the safe use of the MBACE Scope Mount and enhance your shooting experience. Thank you for your attention to safety.
