

SLATE GRIP M-LOK PANELS - SLATE BLACK INDUSTRIES SLATE GRIP MINI PANELS 1-SLOT BLACK 3-PACK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

Slate Grips are a drop in/screw on upgrade to any grip, rail or any in-spec MLOK compatible system. The thin profile and raised texture offer an enhanced gripping surface for the user. These panels boast durable steel hardware and extra MLOK lugs (over some similar designs) for increased durability and security. The grip material maintains the ability to withstand high temperatures, providing the user with insulation. Designed by military and competition shooters, Slate Grips will interface well with many of the popular hand stops, vertical grips, and angled grips available on the market today. SBI polymers are optimized for stippling, but we highly recommend BLACK polymers for stippling only due to polymer dye discoloration. SBI's FDE is a "peanut-butter" brown, and ODG is a direct match for Magpul's coloration. Sometimes photography may show it in a skewed color depending on the studio lights used. Available in 1 slot, 2 slot, or 3 slot variety, Slate Grips are sold in packs of three (3). Material: fiber reinforced high-temp polymer. Length [1-Slot - 1.57in long - 2-Slot - 3.16in long - 3-Slot - 4.74in long]

Attributes

- Name: [SLATE BLACK INDUSTRIES SLATE GRIP MINI PANELS 1-SLOT BLACK 3-PACK](#)
- Manufacturer: [SLATE BLACK INDUSTRIES](#)

Safety Instructions for SLATE GRIP MLOK PANELS

Introduction

Thank you for choosing the SLATE GRIP MLOK PANELS from SLATE BLACK INDUSTRIES. These panels are designed to enhance your grip on MLOK compatible systems. To ensure safe usage and optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the product before use. Look for any signs of damage or wear.
- Ensure that the panels are compatible with your specific MLOK system.
- Keep the panels out of reach of children and vulnerable individuals.
- Use the panels only for their intended purpose as described in this manual.
- Follow all installation instructions carefully to avoid hazards.
- In case of any malfunction or if you notice any unusual behavior during use, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Avoid exposure to extreme temperatures that may exceed the product's specifications.
- Do not use harsh chemicals or abrasive materials for cleaning the panels.
- Ensure that the grip surface is clean and dry before use to prevent slipping.
- Be aware of your surroundings while using the panels to avoid accidental injury.
- If you are using stippling, use only BLACK polymers as recommended to prevent discoloration.

Instructions for Installation and Usage

1. Installation:

- Ensure that the MLOK system is clean and free from debris.
- Align the SLATE GRIP panel with the desired slot on your rail.
- Insert the provided screws through the panel into the MLOK slots.
- Tighten the screws securely, ensuring that the panel is firmly attached without stripping the threads.
- Repeat the process for additional panels if necessary.

2. Usage:

- Grip the panel firmly while using your firearm to ensure maximum control.
- Regularly check the tightness of the screws to ensure that the panels remain securely attached.
- If the panel becomes loose during use, stop immediately and retighten the screws before continuing.

Disposal Instructions

- Dispose of the SLATE GRIP panels and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- If the product is damaged or no longer usable, ensure it is safely discarded to prevent any potential hazards.

Contact Information for Further Support

For any inquiries regarding product safety, installation, or usage, please refer to the product packaging or visit our official website for additional resources and support.

Thank you for your attention to these safety instructions. Your safety is our priority, and we are committed to providing you with highquality products that meet EU safety standards.
