

SLATE GRIP M-LOK PANELS - SLATE BLACK INDUSTRIES SLATE GRIP M-LOK PANELS 2-SLOT FDE 3-PACK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

Slate Grips are a drop in/screw on upgrade to any grip, rail or any in-spec MLOK compatible system. The thin profile and raised texture offer an enhanced gripping surface for the user. These panels boast durable steel hardware and extra MLOK lugs (over some similar designs) for increased durability and security. The grip material maintains the ability to withstand high temperatures, providing the user with insulation. Designed by military and competition shooters, Slate Grips will interface well with many of the popular hand stops, vertical grips, and angled grips available on the market today. SBI polymers are optimized for stippling, but we highly recommend BLACK polymers for stippling only due to polymer dye discoloration. SBI's FDE is a "peanut-butter" brown, and ODG is a direct match for Magpul's coloration. Sometimes photography may show it in a skewed color depending on the studio lights used. Available in 1 slot, 2 slot, or 3 slot variety, Slate Grips are sold in packs of three (3). Material: fiber reinforced high-temp polymer. Length [1-Slot - 1.57in long - 2-Slot - 3.16in long - 3-Slot - 4.74in long]

Attributes

- Name: [SLATE BLACK INDUSTRIES SLATE GRIP M-LOK PANELS 2-SLOT FDE 3-PACK](#)
- Manufacturer: [SLATE BLACK INDUSTRIES](#)

Slate Grip MLOK Panels Safety Instructions

Introduction

Thank you for choosing the Slate Grip MLOK Panels from Slate Black Industries. This product is designed to enhance your grip on MLOK compatible systems. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid using the product in extreme temperatures that exceed the material's specifications.
- Ensure that the installation does not interfere with the operation of your firearm.
- Do not modify the product beyond the manufacturer's specifications.
- Use appropriate tools when installing to avoid injury.
- Be aware of your surroundings when using the firearm equipped with this product.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver.
- Ensure the firearm is unloaded and safe to handle.

2. Installation:

- Align the Slate Grip MLOK panel with the desired location on your rail.
- Secure the panel using the provided screws and hardware. Ensure all screws are tightened properly but do not overtighten.
- Check that the panel is firmly attached and does not shift during handling.

3. Usage:

- Grip the panel firmly while using your firearm to enhance control and stability.
- If you experience any slippage or discomfort, reassess the installation and grip position.

4. Maintenance:

- Clean the Slate Grip panels with a damp cloth to remove dirt and debris.
- Avoid using harsh chemicals that may damage the polymer material.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and polymer materials.
- Do not burn the product, as it may release harmful fumes.
- If the product is damaged or no longer usable, ensure it is recycled or disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the Slate Grip MLOK Panels, please refer to the manufacturer's contact details provided with your purchase. You can also check for recall updates on the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Enjoy using your Slate Grip MLOK Panels responsibly and safely.
