Slate Grips are a drop in/screw on upgrade to any grip, rail or any in-spec MLOK compatible system. The thin profile and raised texture offer an enhanced gripping surface for the user. These panels boast durable steel hardware and extra MLOK lugs (over some similar designs) for increased durability and security. The grip material maintains the ability to withstand high temperatures, providing the user with insulation. Designed by military and competition shooters, Slate Grips will interface well with many of the popular hand stops, vertical grips, and angled grips available on the market today. SBI polymers are optimized for stippling, but we highly recommend BLACK polymers for stippling only due to polymer dye discoloration. SBI's FDE is a "peanut-butter" brown, and ODG is a direct match for Magpul's coloration. Sometimes photography may show it in a skewed color depending on the studio lights used. Available in 1 slot, 2 slot, or 3 slot variety, Slate Grips are sold in packs of three (3). Material: fiber reinforced high-temp polymer. Length [1-Slot - 1.57in long - 2-Slot - 3.16in long - 3-Slot - 4.74in long]

# Slate Grip MLOK Panels Safety Instruction Guide

## Introduction

Thank you for choosing the Slate Grip MLOK Panels from Slate Black Industries. These panels are designed to enhance your grip on any MLOK compatible system while ensuring safety during use. This guide provides essential safety instructions and guidelines for the proper installation and use of your Slate Grip MLOK Panels.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Slate Grip MLOK Panels by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to your product.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements.
- **Special Consumer Focus:** These panels are intended for adult users. Keep away from children to prevent accidents.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- Inspect the panels before each use to ensure they are free from damage.
- Ensure that the installation area is clean and free from debris.
- Use only compatible MLOK systems to avoid malfunctions.
- Do not exceed the recommended temperature limits to maintain the integrity of the polymer material.
- Avoid using the panels in environments where they may be exposed to extreme heat or chemicals.
- Always wear appropriate safety gear when handling firearms or related accessories.
- If you experience any unusual wear or damage, discontinue use immediately and contact the manufacturer.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any other required hardware.
2. **Clean the Surface:** Wipe down the installation area on your rail to remove any dirt or oil.
3. **Position the Panel:** Align the Slate Grip MLOK Panel with the MLOK slots on your rail system.
4. **Secure the Panel:** Insert screws through the panel into the MLOK slots. Tighten securely, but do not overtighten to avoid damaging the panel or rail.
5. **Check Installation:** Verify that the panel is firmly attached and does not move when pressure is applied.

### Usage

- Use the Slate Grip MLOK Panels to enhance grip while handling your firearm.
- Regularly check the panels for signs of wear or damage.
- Clean the panels with a damp cloth to maintain their appearance and functionality.

## Disposal Instructions

- Dispose of the Slate Grip MLOK Panels in accordance with local regulations regarding plastic waste.
- If the panels are damaged or no longer usable, ensure they are disposed of in a way that prevents environmental harm.
