

SLATE GRIP M-LOK PANELS - SLATE BLACK INDUSTRIES SLATE GRIP M-LOK PANELS 3-SLOT SLATE GREY 3-PACK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

Slate Grips are a drop in/screw on upgrade to any grip, rail or any in-spec MLOK compatible system. The thin profile and raised texture offer an enhanced gripping surface for the user. These panels boast durable steel hardware and extra MLOK lugs (over some similar designs) for increased durability and security. The grip material maintains the ability to withstand high temperatures, providing the user with insulation. Designed by military and competition shooters, Slate Grips will interface well with many of the popular hand stops, vertical grips, and angled grips available on the market today. SBI polymers are optimized for stippling, but we highly recommend BLACK polymers for stippling only due to polymer dye discoloration. SBI's FDE is a "peanut-butter" brown, and ODG is a direct match for Magpul's coloration. Sometimes photography may show it in a skewed color depending on the studio lights used. Available in 1 slot, 2 slot, or 3 slot variety, Slate Grips are sold in packs of three (3). Material: fiber reinforced high-temp polymer. Length [1-Slot - 1.57in long - 2-Slot - 3.16in long - 3-Slot - 4.74in long]

Attributes

- Name: [SLATE BLACK INDUSTRIES SLATE GRIP M-LOK PANELS 3-SLOT SLATE GREY 3-PACK](#)
- Manufacturer: [SLATE BLACK INDUSTRIES](#)
- Product no.: 100050455
- Mfr. No.: SG-3-GRY
- Colour: Grey
- Length: 4.74
- Material: Polymer
- Style: M-LOK
- Weapon type: AR-15
- Delivery weight: 0.091kg
- Shipping height: 13mm
- Shipping width: 89mm
- Shipping length: 216mm
- UPC: 705333505504

Slate Grip MLOK Panels Safety Instructions

Introduction

Thank you for choosing the Slate Grip MLOK Panels by Slate Black Industries. These panels are designed to enhance your grip on MLOK compatible systems, providing improved handling and control. To ensure your safety and the longevity of the product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used as intended and in accordance with the manufacturer's instructions.
- Always inspect the panels before use for any signs of damage or wear.
- Keep the panels out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the panels are installed securely to prevent them from coming loose during use.
- **Grip Maintenance:** Regularly check the gripping surface for wear or damage. Replace the panels if they show signs of significant wear.
- **Temperature Awareness:** The grip material is designed to withstand high temperatures, but avoid exposing the panels to extreme heat sources.
- **Compatibility Check:** Verify that your rail or grip system is MLOK compatible before installation.
- **Stippling Caution:** If you choose to stipple the panels, use only BLACK polymers to avoid discoloration.

Instructions for Installation and Usage

1. **Preparation:** Gather the necessary tools for installation, including screws and a screwdriver.
2. **Cleaning:** Clean the surface of the rail or grip where the panels will be installed to ensure a secure fit.
3. **Positioning:** Align the Slate Grip panel with the MLOK slots on your rail.
4. **Securing Panels:**
 - Insert the provided screws through the panel into the MLOK slots.
 - Tighten the screws until the panel is secure but avoid overtightening, which may damage the panel or rail.
5. **Testing:** After installation, gently pull on the panel to ensure it is securely attached.
6. **Usage:** Use the panels as intended to enhance grip and control during handling.

Disposal Instructions

- Dispose of the panels in accordance with local regulations for plastic waste.
- Do not incinerate the panels, as they may release harmful substances when burned.
- If the panels are damaged, consider contacting a waste disposal service that specializes in handling plastics.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact details provided with the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and effective experience with your Slate Grip MLOK Panels. Thank you for your attention to safety.
