

AR-15 M-LOK CABLE MANAGEMENT RAIL COVERS - STRIKE INDUSTRIES AR-15 M-LOK CABLE MANAGEMENT RAIL COVERS LONG FDE 2PK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The Strike Industries M-LOK Cable Management Covers add a positive tactile feeling but also utilizes the patent pending SI Cable Management System® (CMS) function enables you to organize and store excess wire from your weapon light or any other cabled accessories. Instead of tucking wire anywhere you can and using cable ties or tape to hold it down, the SI CMS will offer you a place to route and/or contain loose wire inside the cover cavity. Cables can be routed alongside the handguard, across to the other side, 90-degrees or U-shape. The directions and possibilities are almost endless. Designed to be low-profile (6.20mm (0.24") height) and used in any orientation, the contoured covers add ergonomic textured surfaces to your handguard. Made of durable and lightweight polymer, the covers are also a quick and affordable upgrade to mitigate any heat transfer between the barrel and the shooters hands while organizing and routing cables just about any way you want. Available in a Long version that is 79.80mm (3.14") in length that comes in a 2-pack or a Short version that is 39.90mm (1.57") in length that comes in a 4-pack. Get one length or both and always have the Strike Industries M-LOK Cable Management Covers you need to get a grip and manage your cables at the same time.

AR15 MLOK Cable Management Rail Covers

Safety Instructions

Introduction

Thank you for choosing the Strike Industries AR15 MLOK Cable Management Rail Covers. These covers are designed to help you organize and manage cables while providing a comfortable grip on your firearm. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the cable management covers.
- Inspect the covers for any damage before use. Do not use if any part is broken or missing.
- Keep the covers out of reach of children and vulnerable individuals.
- Use the covers only as intended; do not modify them or use them for any purpose other than cable management.
- Regularly check for wear and tear and replace covers if they show signs of significant damage.

Specific Safety Precautions for Use

- Ensure that cables are securely routed within the cover cavity to prevent any interference with the operation of your firearm.
- Avoid placing excessive pressure on the covers, as this may lead to damage.
- Do not expose the covers to extreme temperatures or harsh chemicals, as this may affect their integrity.
- When using the covers in a tactical environment, ensure that they do not obstruct any controls or features of your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe environment.
- Gather all necessary tools for installation, if required.

2. Installation:

- Align the cable management covers with the MLOK slots on your handguard.
- Slide the covers into the appropriate MLOK slots until they are securely in place.
- Ensure that the covers are firmly attached and do not move when pulled.

3. Cable Management:

- Route your cables through the cover cavity, ensuring they are not pinched or excessively bent.
- Use the contoured surfaces to guide cables alongside the handguard or across to the other side as needed.
- Check that the cables are securely contained and that there is no risk of snagging during use.

4. PostInstallation Check:

- After installation, check that all covers are secure and that cables are properly managed.
- Perform a function check of your firearm to ensure all controls are accessible and operational.

Disposal Instructions

- Dispose of the cable management covers in accordance with local regulations.
- Do not dispose of the covers in regular household waste if they are damaged or no longer usable.
- Consider recycling options if available.

Contact Information for Further Support

For questions or concerns regarding the use of your AR15 MLOK Cable Management Rail Covers, please consult the manufacturer's website or customer support resources.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy using your Strike Industries AR15 MLOK Cable Management Rail Covers responsibly.
