

# AR-15 M-LOK CABLE MANAGEMENT RAIL COVERS - STRIKE INDUSTRIES AR-15 M-LOK CABLE MANAGEMENT RAIL COVERS SHORT BLACK 2PK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The Strike Industries M-LOK Cable Management Covers add a positive tactile feeling but also utilizes the patent pending SI Cable Management System® (CMS) function enables you to organize and store excess wire from your weapon light or any other cabled accessories. Instead of tucking wire anywhere you can and using cable ties or tape to hold it down, the SI CMS will offer you a place to route and/or contain loose wire inside the cover cavity. Cables can be routed alongside the handguard, across to the other side, 90-degrees or U-shape. The directions and possibilities are almost endless. Designed to be low-profile (6.20mm (0.24") height) and used in any orientation, the contoured covers add ergonomic textured surfaces to your handguard. Made of durable and lightweight polymer, the covers are also a quick and affordable upgrade to mitigate any heat transfer between the barrel and the shooters hands while organizing and routing cables just about any way you want. Available in a Long version that is 79.80mm (3.14") in length that comes in a 2-pack or a Short version that is 39.90mm (1.57") in length that comes in a 4-pack. Get one length or both and always have the Strike Industries M-LOK Cable Management Covers you need to get a grip and manage your cables at the same time.

# Safety Instruction Guide for AR15 MLOK Cable Management Rail Covers

## Introduction

Thank you for choosing the Strike Industries AR15 MLOK Cable Management Rail Covers. This guide provides important safety information, installation instructions, and tips for proper usage to ensure your safety and the optimal performance of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this guide.
- Be aware of potential hazards associated with improper installation or use.
- Always inspect the product for any damage before installation.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any issues or have safety concerns, please report them to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before handling or installing the rail covers.
- Avoid using the product if it appears damaged or defective.
- Do not modify the rail covers in any way, as this may compromise their safety and functionality.
- Ensure that cables are securely routed and do not interfere with the operation of the firearm.
- Be cautious of heat transfer from the barrel to the covers, especially during prolonged use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the AR15 is unloaded and placed on a stable surface.
- Gather all necessary tools for installation, if required.

### 2. Installation:

- Identify the desired location on the handguard for the rail covers.
- Clean the surface of the handguard to remove any dirt or debris.
- Align the rail cover with the MLOK slots on the handguard.
- Press the rail cover firmly into place until it clicks, ensuring it is securely attached.
- Repeat the process for additional rail covers as needed.

### 3. Usage:

- Organize and route cables alongside the handguard, ensuring they are contained within the cover cavity.
- Utilize the ergonomic textured surfaces for improved grip during use.
- Regularly check the cable routing to ensure no interference with the firearm's operation.

## Disposal Instructions

- Dispose of the rail covers in accordance with local regulations.
- Do not incinerate or dispose of in landfills if the product is damaged or defective.
- Consider recycling options for polymer materials when available.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 MLOK Cable Management Rail Covers, please refer to the relevant authorities or consumer safety organizations in your region.

Thank you for your attention to these safety instructions. Enjoy using your Strike Industries product responsibly!
