

SI OPPRESSOR UNIVERSAL - STRIKE INDUSTRIES SI OPPRESSOR UNIVERSAL BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Strike Industries OPPRESSOR Universal is a blast shield that works with almost any muzzle device on the market that has a maximum outer diameter of 25.00mm (0.98"). This OPPRESSOR U version works just like the rest of the SI OPPRESSOR family and redirects blast and sound while maintaining the recoil reduction of muzzle devices. Designed with a SI proprietary 3-lug quick detach base, the OPPRESSOR Universal is easily installed and removed with a push and a slight turn. Install SI OPPRESSOR Universal 3-lug QD base, the included correct sized crush washer, properly set the timing/alignment of your muzzle device and you are ready to go. Fire your weapon with or without the OPPRESSOR Universal on. The OPPRESSOR family is multi-caliber compatible with .223/5.56, .308/7.62 and 9mm calibers. The OPPRESSOR U is made of a steel core with a 6061-T6 aluminum body and is anodized in SI Black, Red, Blue and FDE. The Universal continues the SI OPPRESSOR line for redirecting the gas pressure produced by aggressive brakes and compensators. Advanced internal geometry actively draws the gasses out and thrusts the gasses forward through ports to accomplish linear braking in order to retain more efficiency. The SI OPPRESSOR Universal can be rapidly installed before indoor shooting, outdoor public firing line or being kind to the classmates next to you while training.

Attributes

- Name: [STRIKE INDUSTRIES SI OPPRESSOR UNIVERSAL BLACK](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100050486
- Mfr. No.: SI-BS-OPPRESSOR

Safety Instruction Guide for SI OPPRESSOR Universal

Introduction

Thank you for choosing the SI OPPRESSOR Universal. This product is designed to enhance your shooting experience by redirecting blast and sound while maintaining recoil reduction. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure safe use of the SI OPPRESSOR Universal by following all instructions.
- Always handle firearms and accessories with care and responsibility.
- Keep the product and all firearms out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of damage or wear.
- Use only with compatible muzzle devices that meet the specified dimensions.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the muzzle device is properly installed and securely attached before firing.
- Do not modify the OPPRESSOR Universal or use it in a manner not specified in this guide.
- Be cautious of the blast and sound redirected by the OPPRESSOR Universal, especially in enclosed spaces.
- Avoid using the product with ammunition that exceeds the recommended calibers.
- Ensure that the area around you is clear of people and obstacles when firing.

Instructions for Installation and Usage

Installation Steps

1. **Prepare Your Equipment:** Gather the necessary tools and ensure you have the correct sized crush washer included with the product.
2. **Install the 3lug QD Base:** Attach the SI OPPRESSOR Universal 3lug quick detach base to your muzzle device following the manufacturer's instructions.
3. **Set Timing/Alignment:** Properly set the timing and alignment of your muzzle device to ensure optimal performance.
4. **Secure the Crush Washer:** Install the included crush washer to ensure a proper fit and seal.
5. **Check Installation:** Verify that the OPPRESSOR Universal is securely attached and properly aligned before use.

Usage Instructions

- You may fire your weapon with or without the OPPRESSOR Universal attached.
- Always ensure that the OPPRESSOR Universal is properly secured before firing.
- Be mindful of the redirected gas pressure and sound when shooting in different environments.

Disposal Instructions

- Dispose of the SI OPPRESSOR Universal in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the SI OPPRESSOR Universal, please refer to the manufacturer's website or your point of purchase for further assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SI OPPRESSOR Universal. Always prioritize safety and responsibility when handling firearms and accessories.
