

# **CZ SCORPION EVO SELECTOR SWITCH - STRIKE INDUSTRIES CZ SCORPION EVO SELECTOR SWITCH BLACK**

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

The Strike Industries Selector Switch for CZ Scorpion EVO is both an ambidextrous and non-ambidextrous package (3-pieces) which allows the shooter to configure the setup needed while adding short but wide easy-to-reach controls. Grooves are designed onto the selector switches to ensure control even in wet conditions. Retain factory ambidextrous controls or use the included optional third piece if you want the selector switch only on one specific side. Made from durable and lightweight polymer, this drop-in SI Selector Switch is a perfect pairing with the 15 degree angle of the Strike Industries Pistol Grip for CZ Scorpion EVO (sold separately) and will give you improved ergonomics over the originally designed CZ factory parts and especially no pinched fingers.

## **Attributes**

- Name: [STRIKE INDUSTRIES CZ SCORPION EVO SELECTOR SWITCH BLACK](#)
- Manufacturer: [STRIKE INDUSTRIES](#)

# Safety Instruction Guide for CZ Scorpion EVO Selector Switch by Strike Industries

## Introduction

Thank you for choosing the Strike Industries Selector Switch for your CZ Scorpion EVO. This product is designed to enhance the functionality and ergonomics of your firearm. Please read this safety instruction guide carefully to ensure safe and proper use of the Selector Switch.

## General Safety Guidelines

- Ensure that all nonfood products, including this Selector Switch, are used safely.
- Be aware of any risks associated with the product that may not be covered by other regulations.
- If you purchase the Selector Switch online, ensure that the seller complies with safety requirements similar to those of physical stores.
- Extra precautions should be taken if the product is used around vulnerable groups, such as children.
- For safety inquiries, refer to the designated EU contact point for assistance.
- Stay informed about product safety by checking updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always inspect the Selector Switch before installation for any visible damage or defects.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation and adjustment of the Selector Switch.
- Do not force the Selector Switch into place; it should fit securely without excessive pressure.
- If you experience any difficulty in operating the Selector Switch, cease use and consult a qualified gunsmith.
- Avoid using the Selector Switch in wet or slippery conditions unless necessary, as it may affect grip and control.
- Keep the Selector Switch out of reach of children and unauthorized users.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your CZ Scorpion EVO is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if required.

### 2. Installation:

- Remove the existing selector switch from your CZ Scorpion EVO by following the manufacturer's instructions.
- Align the Strike Industries Selector Switch with the designated area on your firearm.
- If using the ambidextrous option, ensure that both sides are correctly positioned.
- Gently press the Selector Switch into place until it is securely fitted.
- If using the optional third piece for a nonambidextrous setup, follow the specific instructions provided with the product.

### 3. Usage:

- Familiarize yourself with the new Selector Switch before using the firearm.
- Practice using the Selector Switch in a safe environment to ensure comfort and ease of use.
- Ensure that your fingers are clear of the trigger area when adjusting the Selector Switch.

#### **4. PostInstallation Check:**

- After installation, check that the Selector Switch operates smoothly and securely.
- Test the functionality of the Selector Switch while the firearm is in a safe position.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- Do not dispose of the Selector Switch in regular household waste. Follow local guidelines for the disposal of firearm accessories and components.

## **Contact Information for Further Support**

For any questions regarding the installation, usage, or safety of the Strike Industries Selector Switch, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to safety, and enjoy your improved shooting experience with the Strike Industries Selector Switch for CZ Scorpion EVO.
