# Safety Instruction Guide for Lee Case Length Gauge and Shell Holder

## Introduction

Thank you for choosing the Lee Case Length Gauge and Shell Holder. This product is designed to help you trim and square the case mouth of your ammunition safely and effectively. Please read this safety instruction guide carefully to ensure the safe use of this product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure that the product is used in a safe environment, free from distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the product only for its intended purpose as specified in the instructions.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the product.
- Ensure that the workspace is welllit and organized to prevent accidents.
- Do not exceed the recommended cartridge specifications.
- Avoid using the product if you are under the influence of drugs or alcohol.
- Do not modify the product in any way, as this may compromise safety.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Workspace:** Ensure that your workspace is clean, welllit, and free from clutter.
2. **Gather Necessary Tools:** You may need a Case Conditioning Kit, Cutter and Lock Stud, or 3 Jaw Trimming Kit.
3. **Secure the Shell Holder:** Attach the shell holder to your reloading press according to the manufacturer's instructions.
4. **Insert the Case Length Gauge:** Place the gauge into the shell holder, ensuring it is secured properly.

### Usage

1. **Load the Case:** Insert the case you wish to trim into the shell holder.
2. **Adjust the Trimming Tool:** If using a trimming tool, adjust it according to the specifications for the 6.5 x 52 mm Mannlicher Carcano cartridge.
3. **Trim the Case:** Activate the trimming process, ensuring that you maintain a firm grip on the press handle.
4. **Inspect the Trimmed Case:** After trimming, carefully inspect the case mouth for any irregularities.
5. **Clean the Equipment:** After use, clean the gauge and shell holder to prevent debris accumulation.

## Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not discard the product in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions, concerns, or additional support regarding the Lee Case Length Gauge and Shell Holder, please refer to the manufacturer's website or your point of purchase for guidance.

By following these safety instructions, you can ensure safe and effective use of the Lee Case Length Gauge and Shell Holder. Thank you for prioritizing safety in your reloading process.
