

ZASTAVA M85/M92 GEN-3 DOG LEG RAIL - TEXAS WEAPON SYSTEMS M85, M92 GEN-3 DOG LEG RAIL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Keeping your shots on target is what it's all about. Whether you require the quick target acquisition of a red dot or the range of a magnified optic, the Gen-3 Dog Leg™ scope rail has you covered. Mounted directly over the receiver, the patented Dog Leg™ scope rail with integral dust cover provides optimal balance, generous rail space, and protects delicate optics from barrel heat. The ingeniously simple and rugged design provides a rock solid mount for accuracy. The forward hinged cover with rear cam lock design preserves the AK's field stripping qualities. OPTION NOTE: The M85/M92 Dog Leg Rail does NOT incorporate a quick detach feature. The weapon may be permanently modified for quick detach cover capability by drilling out the hinge pin hole in both the weapon and top cover from 4mm to 0.250 inches. Requires the additional purchase of the optional Enhanced Push Button Take Down Pin.

Attributes

- Name: [TEXAS WEAPON SYSTEMS M85, M92 GEN-3 DOG LEG RAIL](#)
- Manufacturer: [TEXAS WEAPON SYSTEMS](#)
- Product no.: 100053603

Safety Instruction Guide for ZASTAVA M85/M92 GEN3 DOG LEG RAIL

Introduction

Thank you for choosing the ZASTAVA M85/M92 GEN3 Dog Leg Rail by Texas Weapon Systems. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before using the Dog Leg Rail.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or removing the Dog Leg Rail.
- Inspect the Dog Leg Rail for any signs of damage or wear before each use.
- Keep the Dog Leg Rail and all related accessories out of reach of children and unauthorized users.
- Use the Dog Leg Rail only with compatible firearms as specified by the manufacturer.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Overheating:** The Dog Leg Rail is designed to protect optics from barrel heat. However, avoid prolonged firing sessions without allowing the firearm to cool down.
- **Secure Mounting:** Ensure the Dog Leg Rail is securely mounted to prevent any movement during use.
- **Optics Protection:** Be mindful of the positioning of optics to avoid obstruction or damage during field use.
- **Field Stripping:** Familiarize yourself with the AK's field stripping qualities to ensure safe operation when disassembling the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Align the Dog Leg Rail over the receiver of the firearm.
- Securely attach the rail using the provided mounting hardware.
- Check for stability and ensure that there is no movement once installed.

2. Usage:

- When using the Dog Leg Rail, always ensure that your shooting position is stable.
- Use appropriate optics as per your shooting requirements.
- Regularly check the alignment and security of the Dog Leg Rail during use.

3. Modification for Quick Detach:

- Note that the M85/M92 Dog Leg Rail does NOT incorporate a quick detach feature.
- If you wish to modify the weapon for quick detach cover capability, drill out the hinge pin hole in both the weapon and top cover from 4mm to 0.250 inches.
- This modification requires the additional purchase of the optional Enhanced Push Button Take Down Pin.

Disposal Instructions

- Dispose of the Dog Leg Rail in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's website or contact their customer service.

Thank you for ensuring your safety and the safety of others while using the ZASTAVA M85/M92 GEN3 Dog Leg Rail.
