

# TIKKA T3X BRAVO CHASSIS - KINETIC RESEARCH GROUP TIKKA T3X BRAVO CHASSIS FOR CTR MAGS, SAKO GREEN

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Bravo Chassis: The Bravo provides you with the essential chassis benefits combined with conventional target/varmint ergonomics all at a modest price. The Bravo is one of the most comfortable stocks available but that's just the beginning. The price will make you and your wallet overjoyed. The precisely machined bedding area will put your action in its happy place nearly like it was custom bedded in there. The full length stiff aluminum backbone will not allow the forend to flex on you but does allow design modularity with loads of accessories and even other KRG chassis. The ergonomic adjustments are just what you need to fit your frame so you can pull off the difficult shots. Of course it takes AICS mags right out of the box. It's light. It's comfortable. It's modular. It's good looking. And it's practically free. You will love it. Utilizes factory CTR mags (Not included).

# TIKKA T3X BRAVO CHASSIS Safety Instruction Guide

## Introduction

Thank you for choosing the TIKKA T3X BRAVO CHASSIS by Kinetic Research Group. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your chassis. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always ensure that the chassis is compatible with your firearm model before installation.
- Inspect the chassis for any damage or defects before use. Do not use if damaged.
- Keep the chassis and its components out of reach of children and unauthorized users.
- Always use the product in accordance with local laws and regulations.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the chassis.
- Use only factory CTR magazines as specified. Other magazines may not fit properly and could cause malfunctions.
- Do not modify the chassis or its components in any way. Unauthorized modifications may compromise safety.
- When using the chassis, maintain a safe shooting posture and ensure a clear line of sight.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure that you are shooting in a safe environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing stock from the firearm.
- Align the action with the bedding area of the Bravo chassis.
- Secure the action using the provided screws, ensuring a snug fit.
- Attach the forend and ensure it is firmly in place.

### 2. Usage:

- Adjust the ergonomic features of the chassis to fit your body size and shooting style.
- Insert factory CTR magazines into the magazine well until they click into place.
- Always check the firearm's functionality after installation and before each use.
- Practice safe handling and shooting techniques at all times.

## Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- Ensure that any nonreusable components are recycled or disposed of safely.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**
