AR15 PISTOL GRIP WASHER CMMG AR15 PISTOL GRIP STAR WASHER Safety Instructions

Introduction

Thank you for choosing the AR15 Pistol Grip Washer manufactured by CMMG. This product is designed to provide reliable performance and safety when properly used and installed. Please read this safety instruction guide carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If you discover any defects or issues, discontinue use immediately and report them.
- Stay informed about any product recalls or safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use the correct size and type of screw (1/4") when installing the washer.
- Ensure that the washer is securely fastened to prevent loosening during use.
- Avoid using excessive force when tightening screws, as this may damage the washer or the grip.
- Do not modify the product in any way, as alterations can compromise safety and performance.
- If you are not familiar with installation procedures, seek assistance from someone with experience.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a screwdriver and the correct size screws (1/4").
- Ensure you have a clean and well-lit workspace.

2. Installation Steps

- Align the pistol grip washer with the designated mounting hole on the grip.
- Insert the 1/4" screw through the washer and into the grip.
- Tighten the screw using a screwdriver until secure, but avoid overtightening.

3. Usage

- After installation, check that the grip is firmly attached and secure.
- Test the grip by gently pulling on it to ensure it does not loosen.
- Use the grip as intended, and avoid any actions that may put undue stress on the washer.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it is deemed hazardous.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the appropriate EU contact points available for consumer products. Always ensure you are reporting to the correct authorities for any safety concerns related to this product.

Thank you for your attention to these safety instructions. Your safety is our priority.
