# ULTRALIGHT 34MM EXTENDED SCOPE MOUNTS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the ULTRALIGHT 34MM EXTENDED SCOPE MOUNTS by AERO PRECISION. This product is designed to enhance your shooting experience by providing a lightweight and robust solution for mounting your scope. To ensure safe and effective use of this product, please read and follow all safety guidelines and instructions outlined in this document.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the scope mount by following all instructions and guidelines provided. The product is designed to meet EU safety standards.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors and only used by responsible adults.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for faster updates on unsafe products.

## Specific Safety Precautions for Use

- **Installation:** Ensure that the scope mount is installed correctly on a compatible AR type upper receiver with MilSpec 1913 Picatinny rails.
- **Weight Limit:** Do not exceed the weight limit of the scope mount. The ULTRALIGHT 34MM EXTENDED SCOPE MOUNT is designed to support scopes up to a specific weight; exceeding this may compromise safety.
- **Torque Settings:** Use the recommended screw torque of 15 inlbs during installation to avoid overtightening, which could damage the mount or the receiver.
- **Inspection:** Regularly inspect the scope mount for any signs of wear, damage, or looseness. If any issues are detected, discontinue use and consult a qualified technician.
- **Proper Usage:** Use the scope mount only for its intended purpose. Avoid using it in any manner that is not specified in this guide.

## Instructions for Installation and Usage

1. **Preparation:** Ensure that you have the necessary tools for installation, including a torque wrench.
2. **Mounting the Scope:**
  - Align the rear ring of the scope mount with the desired position on the Picatinny rail.
  - Push the rear ring forward by 1" to achieve optimal eye relief.
  - Secure the scope in place within the rings.
3. **Tightening:**
  - Using the torque wrench, tighten the screws to the recommended torque setting of 15 inlbs.
  - Ensure that the mount is firmly attached without overtightening.
4. **Final Check:**
  - After installation, doublecheck that all screws are tightened properly.
  - Make sure the scope is aligned correctly for accurate shooting.
5. **Usage:**
  - When using the rifle with the mounted scope, ensure that you are in a safe shooting environment.

- Always follow safe firearm handling practices.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- **Recycling:** If possible, recycle the aluminum material to minimize environmental impact.
- **NonHazardous:** The ULTRALIGHT 34MM EXTENDED SCOPE MOUNT does not contain hazardous materials; however, ensure proper disposal to avoid littering.

## Contact Information for Further Support

For any inquiries or issues regarding the ULTRALIGHT 34MM EXTENDED SCOPE MOUNTS, please refer to the contact information provided by your retailer or consult the manufacturer's website for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ULTRALIGHT 34MM EXTENDED SCOPE MOUNTS. Thank you for your attention to these important guidelines.
