

# TIKKA BOLT TOOL - MOUNTAIN TACTICAL TIKKA BOLT TOOL

[Gunsmith Tools](#) > [Rifle Tools](#) > [Bolt Tools](#) > [Dissassembly Tools](#)

This little tool will save you hours of frustration when installing bolt shrouds and handles. Especially if you accidentally un-spring the firing pin mechanism in your bolt. Not everyone is built like Hercules but this tool will make you feel like him. Easily reload the firing pin spring, change out a bolt handle, or quickly dismantle your bolt for cleaning with confidence.

# TIKKA BOLT TOOL Safety Instruction Guide

## Introduction

Thank you for choosing the TIKKA BOLT TOOL from Mountain Tactical. This tool is designed to assist you in safely and efficiently installing bolt shrouds and handles on Tikka rifles, specifically the T3 and T3x models. Please read this safety instruction guide carefully to ensure proper use and to maximize your safety while using this product.

## General Safety Guidelines

- Always use the TIKKA BOLT TOOL in accordance with the provided instructions.
- Ensure that the tool is used in a safe environment, free from distractions and hazards.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of damage or wear before use.
- If you notice any defects or issues, do not use the tool and contact customer support for assistance.

## Specific Safety Precautions for Use

- Before using the TIKKA BOLT TOOL, ensure that the rifle is unloaded and that no ammunition is present in the vicinity.
- Be cautious when handling the firing pin mechanism to avoid accidental discharge.
- Use the tool only for its intended purpose. Do not attempt to modify or alter the tool.
- Wear appropriate safety gear, such as eye protection, while using the tool.
- Follow all local laws and regulations regarding firearm maintenance and safety.

## Instructions for Installation and Usage

### 1. Preparing the Tool and Rifle:

- Ensure the rifle is unloaded.
- Gather all necessary tools and components for the task.

### 2. Using the TIKKA BOLT TOOL:

- To reload the firing pin spring:
  - Position the firing pin mechanism correctly within the tool.
  - Follow the instructions provided with the tool to securely reload the spring.
- To change out a bolt handle:
  - Use the tool to carefully remove the existing handle.
  - Attach the new handle securely, ensuring it is fitted properly.
- To dismantle the bolt for cleaning:
  - Utilize the tool to assist in disassembling the bolt.
  - Take care to keep track of all small components during the disassembly process.

### 3. PostUsage:

- After completing your work, ensure that the tool is cleaned and stored safely.
- Always store the tool in a secure location away from children and unauthorized users.

## Disposal Instructions

- When the TIKKA BOLT TOOL reaches the end of its life or is no longer usable, dispose of it responsibly.
- Check local regulations for proper disposal methods of tools and materials.

- Do not dispose of the tool in regular household waste; consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries regarding the TIKKA BOLT TOOL, including safety concerns or product support, please refer to the contact information provided in the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience while using the TIKKA BOLT TOOL. Always prioritize safety and compliance with relevant regulations. Thank you for your attention to these guidelines.
