# T3/T3X Bolt Stops Mountain Tactical Safety Instruction Guide

## Introduction

Thank you for choosing the T3/T3X Bolt Stops by Mountain Tactical. This product is designed to enhance the functionality and aesthetics of your Tikka T3/T3X long action rifle. Before using the bolt stop, please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the bolt stop.
- Use the bolt stop only for its intended purpose as specified in this guide.
- Keep the bolt stop out of reach of children and unauthorized users.
- Regularly inspect the bolt stop for signs of wear or damage. If any issues are detected, discontinue use immediately.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay updated on product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your Tikka T3/T3X rifle before installing the bolt stop.
- Do not attempt to modify the bolt stop or use it in any way other than as instructed.
- Avoid using excessive force when installing or removing the bolt stop to prevent damage.
- Only use cleaning agents that are recommended for stainless steel to maintain the bolt stop.
- If you experience any issues while using the bolt stop, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation, including a screwdriver.

### 2. Installation:

- Remove the factory bolt stop from your Tikka T3/T3X rifle.
- Align the Mountain Tactical Bolt Stop with the mounting area.
- Securely fasten the bolt stop using the appropriate screws, ensuring it is properly seated.

### 3. Usage:

- After installation, test the functionality of the bolt stop by cycling the action of your rifle.
- Ensure that the bolt stop operates smoothly and securely before using the rifle for shooting.

### 4. Maintenance:

- Regularly check the bolt stop for tightness and functionality.
- Clean the bolt stop with a soft cloth and appropriate cleaning solution to maintain its appearance and function.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the bolt stop is damaged beyond repair, dispose of it as per local electronic waste guidelines.
- Do not dispose of the bolt stop in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any questions or concerns regarding the T3/T3X Bolt Stops, please refer to the appropriate customer support channels provided by Mountain Tactical. Always ensure that you have the product details on hand when seeking assistance.

By following these guidelines, you can ensure the safe and effective use of your T3/T3X Bolt Stops. Thank you for your attention to safety and for choosing Mountain Tactical.
