## Introduction

Thank you for choosing the T3/T3X Bolt Stops from Mountain Tactical. This guide provides essential safety instructions to ensure the safe use and installation of your bolt stop. Please read this guide carefully before use to understand the safety precautions and proper handling of the product.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with these guidelines.
- Always handle firearms and accessories with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the bolt stop for signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to malfunction or injury. Using the bolt stop with incompatible models can cause firearm damage.
- **Avoiding Hazards:** Always follow the installation instructions carefully. Ensure that the bolt stop is compatible with your specific Tikka model (T3 or T3X). Do not modify the bolt stop in any way.
- **AgeSpecific Warnings:** This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools for installation (e.g., screwdriver).
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Remove the factoryinstalled bolt stop from your Tikka T3/T3X.
- Carefully align the Mountain Tactical bolt stop with the mounting area.
- Securely fasten the bolt stop using the appropriate screws.
- Doublecheck that the bolt stop is firmly in place and functions correctly.

### 3. Usage:

- After installation, test the bolt stop by cycling the action of your rifle.
- Ensure that the bolt stop engages and disengages properly without obstruction.
- Regularly clean and maintain the bolt stop to ensure optimal performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the bolt stop is damaged or no longer functional, consider recycling the stainless steel material where possible.
