## Long-Range Muzzle Control for Your 6.5 AR Platform

The Ultradyne 6.5 Apollo LR Compensator 5/8"x24 is the premier long-range compensator. Nothing is more frustrating for you, the long-range shooter, than having your shot follow-up messed up because you can't see bullet splash or stay on target because of muzzle rise or gas distortion. The Ultradyne 6.5 Apollo LR Compensator fixes both of these problems. First, the gases are diverted away from the line of sight of the shooter, so you can see bullet travel and impact clearly. Also aiding in staying on target is the drastic reduction of recoil and muzzle rise that can so often make it hard to get back to where you want to be. Shoot with confidence. CNC machined in the USA Stainless steel construction Rated for 6.5 Creedmoor, 6.5 Grendel, 6.5 PRC, .264 Win Mag, 6.5 Rem Mag, .260 Rem, 6.5x284 Norma, 26 Nosler, 6mm BR, 6mm PPC, 6.5x47 Lapua, .25-06 Rem, .257 Roberts, .257 Wby Mag, .243 WSSM The Ultradyne 6.5 Apollo LR Compensator installs fast, because the timing nut is included.

# Safety Instruction Guide for the AR .308 APOLLO LR COMPENSATOR 6.5 ULTRADYNE USA

## Introduction

Thank you for choosing the Ultradyn 6.5 Apollo LR Compensator. This guide provides essential safety instructions to ensure the safe and effective use of your compensator. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the compensator is compatible with your firearm before use.
- Always follow local laws and regulations regarding the use of firearm accessories.
- Use the compensator only for its intended purpose as specified in this guide.
- Handle all firearms with care and in accordance with standard safety practices.
- Keep the compensator and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the compensator for wear, damage, or any signs of malfunction.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when shooting.
- Ensure that the firearm is unloaded before installing or adjusting the compensator.
- Avoid using the compensator if it shows signs of damage or has been subjected to extreme conditions.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the compensator or firearm in any way that could compromise safety.
- Follow the manufacturer's recommendations for ammunition types compatible with the compensator.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and safe to handle.
2. **Remove Existing Muzzle Device:** If applicable, remove any existing muzzle device from the firearm.
3. **Prepare the Compensator:** Take the Ultradyn 6.5 Apollo LR Compensator out of its packaging.
4. **Install the Compensator:**
  - Align the threads of the compensator with the muzzle of the firearm.
  - Screw the compensator onto the muzzle until it is snug.
  - Use the included timing nut to secure the compensator in place.
5. **Check Alignment:** Ensure that the compensator is aligned correctly and securely attached.

### Usage

- Always verify that the compensator is properly installed before shooting.
- When firing, maintain a firm grip on the firearm to manage recoil effectively.
- Observe proper shooting stance and alignment to maximize the benefits of the compensator.

## Disposal Instructions

- Dispose of the compensator in accordance with local regulations for metal products.
- Do not dispose of the compensator in regular household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the Ultradyn 6.5 Apollo LR Compensator, please refer to the manufacturer's contact information provided in the product documentation or visit the manufacturer's website for more details.

By following these guidelines, you can ensure the safe and effective use of your Ultradyn 6.5 Apollo LR Compensator. Always prioritize safety and responsible handling of your firearm and its accessories. Thank you for your attention to these important safety instructions.
