

# **E-TIP 6.5MM (0.264") SPITZER BULLETS - NOSLER 6.5MM (0.264") 120GR SPITZER 50/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Certified for use in California's Non-Lead Zone, Nosler E Tip lead-free bullets are constructed from a solid copper alloy to reduce barrel fouling, while delivering unsurpassed penetration and weight retention that rivals even the highest-quality lead core bullets. Nosler's exclusive E2™ Cavity (Energy Expansion Cavity™) allows for immediate and uniform expansion, while retaining 95% weight for amazing stopping power and peerless penetration over a broad spectrum of impact velocities.

## **Attributes**

- Name: [NOSLER 6.5MM \(0.264"\) 120GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 100658093
- Mfr. No.: 59765
- Ballistic Coefficient (G1): 0.497
- Brand Style: E-Tip
- Bullet Style: Spitzer
- Caliber: 6.5mm,264 Caliber
- Diameter (Breech): 0.264
- Diameter (in): 0.264
- Grain: 120
- Quantity: 50
- Delivery weight: 0.454kg
- Shipping height: 25mm
- Shipping width: 25mm
- Shipping length: 25mm
- UPC: 054041597654

# ETIP 6.5MM SPITZER BULLETS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing Nosler ETIP 6.5MM (0.264") Spitzer Bullets. This guide provides essential safety information to ensure the safe use and handling of these leadfree bullets. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that all users are familiar with safe handling practices for ammunition.
- Always store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Inspect bullets for any signs of damage before use. Do not use damaged ammunition.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when handling or firing ammunition.
- Use only in firearms that are specifically designed for 6.5MM (0.264") caliber bullets.
- Do not exceed the recommended load specifications provided by your firearm manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using ammunition in extreme weather conditions, such as heavy rain or snow, which could affect performance.

## Instructions for Installation and Usage

- Ensure that the firearm is unloaded before attempting to load the bullets.
- To load the bullets:
  1. Open the action of the firearm and ensure it is clear of any existing ammunition.
  2. Insert the Nosler ETIP bullets into the magazine or chamber according to your firearm's specifications.
  3. Close the action of the firearm securely.
- When ready to fire, follow these steps:
  1. Aim at a safe target area.
  2. Ensure that no one is downrange before firing.
  3. Pull the trigger smoothly to discharge the bullet.
- After use, ensure that the firearm is cleaned according to the manufacturer's instructions to prevent fouling and maintain performance.

## Disposal Instructions

- Dispose of any unused or expired ammunition responsibly and in accordance with local regulations.
- Do not throw bullets in the regular trash. Instead, contact local authorities or hazardous waste disposal facilities for guidance on proper disposal methods.

## Contact Information for Further Support

For additional safety inquiries or product support, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

## Conclusion

By following these safety instructions, you can ensure the safe and effective use of Nosler ETip 6.5MM (0.264") Spitzer Bullets. Always prioritize safety and compliance with local regulations when handling ammunition. Thank you for choosing Nosler.
