# Safety Instruction Guide for 8INCH RAISED ARM BAR WITH BRACE ADAPTER

## Introduction

Thank you for choosing the 8INCH RAISED ARM BAR WITH BRACE ADAPTER from JMAC CUSTOMS. This product is designed to enhance your experience with 4.5mm AKs while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use and maintain the product safely.

## General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model.
- Always handle the arm bar and brace adapter with care to avoid injury.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose as described in this guide.
- Regularly inspect the arm bar and brace adapter for signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the arm bar and brace adapter.
- Avoid using the product in extreme weather conditions that could compromise its integrity.
- Do not exceed the recommended weight limit for attachments on the arm bar.
- Ensure that all mounting bolts are securely tightened before use.
- Be aware of your surroundings when using the firearm equipped with the arm bar and brace adapter.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the product.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded.
- Align the arm bar with the factory rear trunnions of your 4.5mm AK.
- Use the provided mounting bolt to secure the arm bar in place.
- Ensure that the antirotation pin is properly installed to prevent movement.
- Check that the brace adapter is securely attached to the arm bar.

### 2. Usage:

- Adjust the cheek weld by moving the stock/brace up or down on the adapter to fit your preference.
- Ensure that the brace or stock is properly secured before using the firearm.
- Use the integrated QD sling socket for attaching slings as needed.
- If using a folding buttplate, ensure it is locked in place during use.

### 3. PostUse:

- After use, clean the arm bar and brace adapter to remove any dirt or debris.
- Store the product in a dry and secure location, away from children.

## Disposal Instructions

- Dispose of the arm bar and brace adapter in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Consider recycling components where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the 8INCH RAISED ARM BAR WITH BRACE ADAPTER, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new arm bar and brace adapter. Thank you for your attention to safety.
