# Safety Instruction Guide for 8INCH RAISED ARM BAR WITH BRACE ADAPTER

## Introduction

Thank you for choosing the 8INCH RAISED ARM BAR WITH BRACE ADAPTER from JMAC CUSTOMS. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this guide carefully to understand the necessary safety precautions and proper usage.

## General Safety Guidelines

- Ensure that all users of this product are aware of and understand the safety instructions.
- Always treat the arm bar and any attached accessories as if they are loaded.
- Keep the arm bar out of reach of children and individuals who may not understand its use.
- Inspect the arm bar for any signs of damage before each use. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection while using firearms with this arm bar.
- Ensure that the arm bar is securely attached to the firearm before use.
- Avoid placing fingers near the trigger until ready to shoot.
- Do not use the arm bar in wet or slippery conditions that may affect grip or stability.
- Do not exceed the weight limit of the arm bar as specified by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Gather all necessary tools, including a socket head screw and antirotation pin.
- Ensure the workspace is clean and free of obstructions.

#### 2. Attach the Arm Bar

- Align the arm bar with the factory rear trunnions of your firearm.
- Insert the socket head screw through the designated hole and tighten securely.
- Install the antirotation pin to prevent movement during use.

#### 3. Check Stability

- Ensure that the arm bar is firmly attached and does not wobble.
- Adjust the height of the stock/brace as needed.

### Usage

- Adjust the cheek weld by moving the stock/brace up or down on the adapter.
- Utilize the integrated QD sling socket for added versatility.
- Ensure that the arm bar is properly configured for your specific firearm model.

## **Disposal Instructions**

- Dispose of the arm bar in accordance with local regulations regarding metal recycling.
- Do not dispose of the product in regular household waste.
- Ensure that any attached accessories are also disposed of properly.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact your local authorized dealer or the manufacturer directly. Always refer to the product's manual or official website for the most accurate and updated information.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the 8INCH RAISED ARM BAR WITH BRACE ADAPTER responsibly and safely.
