

# BLAST DIVERSION SHIELD MUZZLE BREAK - JMAC CUSTOMS BLAST DIVERSION SHIELD 12 MUZZLE BREAK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

JMAC's BDS Blast Diversion Shield was co-developed with JMAC's RRD-2C X series of muzzle brakes with external threads. This blast shield threads over JMAC's 2C X and diverts the blast forward, reducing side blast/concussion. In addition to threading over the RRD-2C X, the BDS can also be used with a wide range of suppressor adapters/mounts. Blast shield does NOT include any mounts!

## Attributes

- Name: [JMAC CUSTOMS BLAST DIVERSION SHIELD 12 MUZZLE BREAK](#)
- Manufacturer: [JMAC CUSTOMS](#)
- Product no.: 100800069

# BLAST DIVERSION SHIELD MUZZLE BREAK Safety Instruction Guide

## Introduction

Thank you for choosing the BLAST DIVERSION SHIELD MUZZLE BREAK from JMAC CUSTOMS. This product is designed to enhance your shooting experience by diverting blast and reducing side concussion. It is essential to follow safety guidelines to ensure safe and effective use of this product. This guide provides important safety information, installation instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:**
  - Always ensure that the product is used according to the manufacturer's instructions.
  - Be aware of potential risks associated with the use of muzzle brakes and blast shields, including noise and recoil.
- **Enhanced Recalls:**
  - Regularly check for any recall notices regarding this product. If a recall is issued, follow the instructions provided for returning or remedying the product.
- **Online Shopping:**
  - If purchased online, ensure that the retailer complies with EU safety standards.
- **Special Consumer Focus:**
  - This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:**
  - For safety inquiries, refer to the manufacturer's contact information provided with the product.
- **Rapid Alerts:**
  - Stay informed about safety alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and hearing protection when using this product.
- Ensure that the muzzle brake is securely attached before firing.
- Avoid using the muzzle brake in enclosed spaces without proper ventilation.
- Do not modify the product in any way, as this may compromise safety.
- Be aware of your surroundings and ensure a safe shooting environment to prevent accidents.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation (if applicable).

## **2. Attaching the Blast Diversion Shield:**

- Locate the external threads on the JMAC RRD2C X muzzle brake.
- Align the threads of the BDS with those of the muzzle brake.
- Carefully thread the BDS onto the muzzle brake, turning clockwise until it is securely fastened. Do not overtighten.

## **3. Final Check:**

- Ensure that the BDS is firmly attached and does not wobble.
- Perform a visual inspection for any signs of damage.

## **Usage Instructions**

- When ready to use the firearm, ensure that all safety precautions are in place.
- Fire the weapon in a safe direction, and be mindful of the blast and noise produced.
- After use, inspect the BDS for any wear or damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in regular household waste. Check for designated recycling centers for metal and composite materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the BLAST DIVERSION SHIELD MUZZLE BREAK, please refer to the contact information provided in the product packaging or visit the manufacturer's website for more details.

By following these guidelines and instructions, you can ensure safe and effective use of your BLAST DIVERSION SHIELD MUZZLE BREAK. Thank you for your attention to safety!
