LOUD AND FLASHY MUZZLE BRAKE Safety Instruction Guide

Introduction

Thank you for choosing the LOUD AND FLASHY MUZZLE BRAKE from JMAC CUSTOMS. This product is designed to enhance sound and flash while minimizing recoil and muzzle rise. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use of the muzzle brake.

General Safety Guidelines

- Always treat firearms and accessories as if they are loaded.
- Ensure that the muzzle brake is installed correctly and securely before use.
- Use only with firearms that are designed for 1/228 threaded muzzles.
- Inspect the muzzle brake regularly for wear, damage, or corrosion.
- Keep the muzzle brake clean and free from obstructions.
- Store the muzzle brake in a cool, dry place when not in use.
- Follow all local and national laws regarding the use of muzzle brakes and firearms.
- Be aware of your surroundings and ensure that the area is safe before firing.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Possible injury from improper installation or use.
 - Risk of damage to the firearm if not compatible.
 - Increased noise levels when firing with the muzzle brake installed.
- **Avoiding Hazards:**
 - Always consult the firearm's manual to ensure compatibility with the muzzle brake.
 - Use hearing protection to safeguard against increased sound levels.
 - Do not exceed the manufacturer's recommended ammunition specifications.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18.
 - Adult supervision is required when used by individuals aged 1821.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Remove any existing muzzle device from the firearm.
 3. Clean the muzzle threads to remove any debris or residue.
 4. Align the muzzle brake with the threads of the firearm.
 5. Handtighten the muzzle brake onto the threads until secure.
 6. Use a wrench to tighten the muzzle brake further, if necessary, but do not overtighten.
- **Usage:**
 - Always check the muzzle brake before each use to ensure it is secure.

- Use the firearm in a safe and controlled environment.
- Be aware of the increased flash and noise when firing.
- Follow all safety protocols for handling and firing firearms.

Disposal Instructions

- Dispose of the LOUD AND FLASHY MUZZLE BRAKE in accordance with local regulations.
- If the product is damaged or no longer usable, contact your local waste management authority for guidance on proper disposal methods.
- Do not dispose of the muzzle brake in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the LOUD AND FLASHY MUZZLE BRAKE, please consult the manufacturer's website or contact their support team for assistance.

By following these guidelines, you can ensure a safer and more enjoyable experience with your LOUD AND FLASHY MUZZLE BRAKE. Thank you for your attention to safety!
