# M4ACE M4 Adapter for ACE Threaded Holes Safety Instructions

## Introduction

Thank you for choosing the M4ACE M4 Adapter for ACE Threaded Holes by JMAC Customs. This manual provides important safety instructions and guidelines to ensure the safe usage of the product. Please read and follow these instructions carefully before using the adapter.

## General Safety Guidelines

- Ensure that the adapter is compatible with your specific model of MRKT Trunnions and ACE/Stormwerks mounts and folding adapters.
- Always inspect the adapter for any signs of damage or wear before use. Do not use if damaged.
- Keep the adapter out of reach of children and vulnerable individuals. This product is not a toy.
- Use the adapter only for its intended purpose as specified in this manual.
- If you experience any issues or have questions about the product, seek assistance before attempting to use it.

## Specific Safety Precautions for Use

- **Compatibility Check:** Verify that the M4ACE adapter fits your equipment and is compatible with M16/M4 style braces or stocks.
- **Secure Installation:** Ensure that all mounting bolts are tightened securely before use to prevent accidental detachment.
- **Weight Limit:** Do not exceed the weight limit of the adapter as specified by the manufacturer to avoid failure during use.
- **Regular Maintenance:** Periodically check the adapter and its mounting points for signs of wear or damage.
- **Avoid Modifications:** Do not modify the adapter in any way, as this may compromise its safety and functionality.
- **Use Protective Gear:** When installing or using the adapter, consider wearing appropriate protective gear, such as gloves and safety glasses.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools, including a suitable wrench for mounting bolts.
- Ensure that the work area is clean and free from distractions.

### 2. Installation:

- Align the M4ACE adapter with the ACE threaded holes on your equipment.
- Insert the mounting bolts through the adapter and into the threaded holes.
- Use a wrench to tighten the bolts securely. Ensure they are snug but do not overtighten, which could cause damage.

### 3. Usage:

- After installation, attach your M16/M4 style brace or stock to the adapter.
- Ensure that the brace or stock is securely fastened and does not wobble or move.
- Test the stability of the setup before using it in active situations.

#### 4. PostUse:

- After use, inspect the adapter for any signs of wear or damage.
- Store the adapter in a safe place, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of the M4ACE adapter in accordance with local regulations for aluminum products.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## Contact Information for Further Support

For any questions or concerns regarding the M4ACE M4 Adapter for ACE Threaded Holes, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for following these safety instructions. Your safety is our priority.
