Safety Instruction Guide for 8INCH SKELETON STOCK by JMAC CUSTOMS

Introduction

Thank you for choosing the 8INCH SKELETON STOCK by JMAC CUSTOMS. This guide provides essential safety instructions to ensure the proper use and handling of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that your firearm is compatible with the 8INCH SKELETON STOCK before installation.
- Always follow local laws and regulations regarding firearm modifications.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage.
- Report any unsafe conditions or accidents to the relevant authorities immediately.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Only install the stock on firearms that do not already have a 1913 attachment rail.
- Use the appropriate adapter for your firearm to ensure a secure fit.

• Operational Precautions:

- Always ensure the firearm is unloaded before attaching or detaching the stock.
- Do not use the stock if it appears damaged or if any components are missing.
- Avoid using the stock in extreme conditions that may compromise its integrity.

• Handling Precautions:

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until ready to shoot.
- Maintain a safe distance from others when handling the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- If your firearm does not have a 1913 attachment rail, select the appropriate adapter.
- Align the stock with the adapter and secure it according to the manufacturer's instructions.
- Ensure that the stock is firmly attached and does not wobble.

2. Usage:

- Adjust the stock to your preferred length before use.
- Use the integrated QD sling sockets to attach your sling safely.
- If using cheek risers (available in the future), ensure they are securely installed.

3. Regular Maintenance:

- Clean the stock periodically with a soft cloth to remove dirt and debris.
- Inspect the stock for any signs of wear, including cracks or loose components.
- If any issues are detected, discontinue use and consult a professional.

Disposal Instructions

- Dispose of the product in accordance with local regulations for the disposal of aluminum materials.
- Do not dispose of the product in general waste or recycling bins without checking local guidelines.
- If the product is damaged or no longer usable, consider contacting a recycling center for proper disposal.

Contact Information for Further Support

For further assistance regarding safety inquiries or product support, please refer to the information provided with your product packaging or visit the manufacturer's website.

Thank you for prioritizing safety and compliance while using the 8INCH SKELETON STOCK by JMAC CUSTOMS. Your careful attention to these guidelines helps ensure a safe experience for yourself and others.
