

AR-15 ENHANCED PIVOT & TAKEDOWN PINS - BATTLE ARMS DEVELOPMENT INC. ENHANCED PIVOT AND TAKEDOWN PINS OD GREEN ALUMINIUM

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Pins](#)

Battle Arms Development Enhanced Pin Set (BAD-EPS) for the AR15 / M16 / M4 style rifles. The BAD-EPS features the following improvements and features: Precision Swiss CNC machined Available in OD Green and Flat Dark Earth AR15 / M16 / M4 Compatible - Fits all AR15/M16/M4 lower receivers with mil-spec .250in diameter front pivot and rear take-down pinholes. Patent Pending Pivot Pin & Takedown Pin Head Designs - Greatly improved gripping surface and pull strength without the use of oversize heads. Low Profile Pin Heads - Low drag and never in the way. Lower profile than mil-spec pinheads. Ambidextrous Safety Compatible - The Enhanced Takedown Pin (BAD-ETP) head design does not obstruct the use of the right side ambidextrous safety selector lever. Extended Pin Tips (+0.030in over mil-spec) - Added tip length noticeably aids in starting/pushing the pins out from the left side of the receiver, without undue protrusion. Bullet Tip Guide - Cone-shaped recess at both pin tips prevents accidental bullet or tool slip and reduced the chance of scratching/damaging of the receiver. BAD-EPS comes with: (1) Enhanced Takedown Pin (1) Enhanced Pivot Pin (2) KNS hardened stainless steel detents (2) 17-7 nickel-plated stainless steel pin springs. Patented EZ Guide Channel Proudly designed and manufactured in the U.S.A. Due to various factors during the anodization process, the color may vary from batch to batch.

Safety Instruction Guide for AR15 Enhanced Pivot & Takedown Pins

Introduction

Thank you for choosing the Battle Arms Development Enhanced Pin Set (BADEPS) for your AR15, M16, or M4 style rifle. This guide provides essential safety instructions to ensure the safe use and installation of your new pins. Please read this document carefully to understand how to handle, install, and dispose of the product responsibly.

General Safety Guidelines

- Ensure the product is compatible with your specific rifle model before installation.
- Always handle firearms in a safe manner, treating every firearm as if it is loaded.
- Store the product in a secure location away from children and unauthorized users.
- Regularly inspect the pins for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Use only as intended for AR15, M16, or M4 style rifles.
- Do not modify the pins or attempt to alter their design.
- Ensure that the rifle is unloaded before installing or removing the pins.
- Use appropriate tools when installing or removing the pins to avoid injury.
- Avoid using excessive force during installation or removal to prevent damage to the pins or the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure the rifle is unloaded and in a safe condition.
- Gather necessary tools for installation, such as a punch tool.

2. Installation:

- Locate the front pivot and rear takedown pinholes on your lower receiver.
- Align the Enhanced Pivot Pin (BADEP) with the pivot pinhole.
- Use the punch tool to gently push the Enhanced Pivot Pin into place until it is fully seated.
- Repeat the process for the Enhanced Takedown Pin (BADETP) in the rear takedown pinhole.
- Ensure both pins are securely installed and check for proper function.

3. Usage:

- To remove the pins, gently tap the pin heads with a punch tool to disengage them from the receiver.
- Store the pins in a safe location when not in use.

Disposal Instructions

- Dispose of any damaged or worn pins according to local regulations.
- Do not dispose of the pins in regular household waste. Instead, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the Battle Arms Development Enhanced Pin Set, please reach out to the designated contact point provided on the product packaging or visit the official website for more information.

Conclusion

By following these safety guidelines and instructions, you will ensure the safe use and longevity of your Battle Arms Development Enhanced Pin Set. Always prioritize safety when handling firearms and their accessories. Thank you for your attention to these important safety measures.
