

REPLACEMENT SHOTGUN BARRELS - CARLSONS ADJUSTABLE RIFLE SIGHT 12GA REMINGTON 870 SATIN MATTE BLUE

[Shotgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Converts Sporting Pump Shotgun Into A Slug Gun

Smoothbore 18-1/2" barrels quickly convert a Remington 870 or Benelli Nova/SuperNova into a fast-handling slug gun or home defense shotgun. Features chrome-lined bore and Carlson cylinder-bore choke tube installed. Remington 870 barrels are threaded for standard Rem Choke and have 3" chambers. Does not fit 870 Tactical models. #155-000-252 has fixed Cylinder choke. #155-000-253 has rifled bore. Benelli barrels have 3-1/2" chambers and are threaded for Benelli Mobil choke. Both are available with a choice of ramped blade front sight only or adjustable front/rear rifle sights.

Safety Instruction Guide for Replacement Shotgun Barrels Carlson's Adjustable Rifle Sight 12GA Remington 870 Satin Matte Blue

Introduction

Thank you for choosing the Replacement Shotgun Barrels Carlson's Adjustable Rifle Sight for your Remington 870. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product.

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Always treat firearms and their components as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the shotgun and its components securely to prevent unauthorized access, especially by children.
- Familiarize yourself with the local laws and regulations regarding firearm use and ownership.
- Inspect the barrel and shotgun for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the Replacement Shotgun Barrels with compatible models, specifically the Remington 870 and Benelli Nova/SuperNova.
- Do not use the barrels with 870 Tactical models.
- Ensure that the shotgun is unloaded before installing or removing the barrel.
- Use only the recommended ammunition type (12 Gauge) for your shotgun.
- Avoid using damaged or defective ammunition.
- Be cautious when handling the shotgun, especially when loading or unloading.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify the shotgun or its components in any way that may affect its safety or performance.

Instructions for Installation and Usage

1. Installation:

- Make sure the shotgun is completely unloaded.
- Remove the existing barrel by unscrewing the barrel nut.
- Align the new barrel with the receiver and insert it into place.
- Secure the barrel by tightening the barrel nut until it is snug. Do not overtighten.
- Ensure that the barrel is properly seated and that there are no gaps between the barrel and the receiver.

2. Usage:

- Before each use, inspect the barrel for any signs of damage.
- Ensure that the choke tube is correctly installed and secure.
- Load the shotgun using the appropriate 12 Gauge ammunition.
- Follow standard shooting practices, keeping the muzzle pointed in a safe direction.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance.

Disposal Instructions

- Dispose of any broken or damaged components in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for firearm components.

Contact Information for Further Support

For any inquiries regarding safety or product support, please consult the manufacturer's website or contact their customer service for assistance.
