

# LARGE BORE RODS - 50 BMG CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

## Eliminates Flex, Speeds Cleaning

Large, 5/16" diameter, nylon-coated, steel rods decrease flex and provide easier cleaning of rifle bores .35 caliber and larger. Ball bearings in the handle let the rod follow the rifling. 35C rod has a 12-28 thread that accepts Dewey Jags and Adapters. Comes with 12-28 to 8-32 tpi adapter and 35J rifle jag. 50 BMG combines a 44" coated section with a stainless steel extension for 62" of cleaning length. A ball bearing handle lets the rod follow the rifling. Specifically designed for use on your 50 BMG. Only the 44", coated section touches your bore; the additional 18" provides additional torque and length to clear oversize actions. Includes 50J, .50 caliber brass jag and brush adapter to accept 8-32 accessories.

## Attributes

- Name: [50 BMG CLEANING ROD](#)
- Manufacturer: [DEWEY](#)
- Product no.: 234000029
- Mfr. No.:

# LARGE BORE RODS 50 BMG CLEANING ROD Safety Instructions

## Introduction

Thank you for choosing the LARGE BORE RODS 50 BMG CLEANING ROD. This guide provides important safety information to ensure the safe and effective use of this product. Please read and understand these instructions before using the cleaning rod.

## General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose, which is cleaning rifle bores of .35 caliber and larger.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Inspect the cleaning rod before each use for any signs of damage or wear. Do not use a damaged rod.
- Follow all local laws and regulations regarding the cleaning and maintenance of firearms.
- Always use the cleaning rod in a wellventilated area to avoid inhaling any cleaning solvents or chemicals.
- Store the cleaning rod in a safe and dry place when not in use.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), such as gloves and safety glasses, when cleaning firearms.
- Avoid using excessive force while cleaning to prevent damage to the firearm or the cleaning rod.
- Ensure that the firearm is unloaded and safe before using the cleaning rod.
- Do not use the cleaning rod on firearms that are not compatible with .35 caliber and larger bores.
- Be cautious when handling cleaning solvents and chemicals. Follow the manufacturer's instructions for use and disposal.

## Instructions for Installation and Usage

### Installation

1. **Attach the Jag or Adapter:**
  - Use the 1228 to 832 tpi adapter to connect Dewey Jags and Adapters as needed.
  - Ensure that the connection is secure before use.

### Usage

1. **Prepare the Firearm:**
  - Ensure the firearm is unloaded and pointed in a safe direction.
  - Remove any existing cleaning materials from the bore.
2. **Insert the Cleaning Rod:**
  - Carefully insert the cleaning rod into the bore from the chamber end, ensuring it follows the rifling.
  - Use the ball bearing handle to allow the rod to move freely with the rifling.
3. **Clean the Bore:**
  - Apply a suitable cleaning solvent to the jag or brush as per the manufacturer's instructions.
  - Move the cleaning rod back and forth gently to clean the bore. Avoid excessive pressure.

#### **4. Remove the Cleaning Rod:**

- After cleaning, carefully remove the cleaning rod from the bore.
- Clean the rod after each use to maintain its condition.

### **Disposal Instructions**

- Dispose of any used cleaning solvents and materials according to local regulations.
- If the cleaning rod is damaged beyond repair, dispose of it in accordance with local waste disposal regulations.

### **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure the safe and effective use of your LARGE BORE RODS 50 BMG CLEANING ROD. Thank you for your attention to safety.
