Securefit 400 Safety 3 Pack: Clear, Amber and Gray Lenses Safety Instructions

Introduction

Thank you for choosing the Securefit 400 Safety 3 Pack from 3M Company. This guide provides important safety instructions to ensure the safe use of your shooting glasses. Please read and follow these guidelines carefully to protect yourself and others.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as shooting glasses.
- Always inspect the lenses for scratches, cracks, or any damage before use.
- Store the glasses in a protective case when not in use to prevent damage.
- Keep the glasses out of reach of children and pets to avoid accidents.
- Do not modify or alter the glasses in any way, as this may compromise safety.
- Be aware of your surroundings and avoid using the glasses in hazardous environments where additional protective equipment may be required.

Specific Safety Precautions for Use

- Use the appropriate lens color for the specific shooting conditions:
 - **Clear Lenses:** Ideal for lowlight conditions or indoor shooting.
 - **Amber Lenses:** Suitable for overcast conditions or shooting in the shade.
 - **Gray Lenses:** Best for bright, sunny conditions to reduce glare.
- Always wear the glasses when handling firearms or during shooting activities.
- Ensure that the glasses fit properly to avoid slippage during use. Adjust the temples and nose pads as needed.
- Do not use the glasses for activities other than shooting or as prescribed by a professional.
- Avoid looking directly at the sun while wearing the lenses, especially with the clear and amber lenses.

Instructions for Installation and Usage

- 1. Fitting the Glasses:**
 - Adjust the temple arms to fit comfortably around your ears.
 - Position the nose pads for a secure fit on your nose bridge.
- 2. Changing Lenses:**
 - To change lenses, gently press the release mechanism located on the sides of the frame.
 - Carefully remove the existing lens and replace it with the desired lens color, ensuring it clicks securely into place.
- 3. Cleaning the Lenses:**
 - Use a microfiber cloth to clean the lenses. Avoid using paper towels or rough materials that may scratch the surface.
 - If necessary, use a mild soap solution and water to clean the lenses, then dry with a microfiber cloth.
- 4. Storage:**
 - Store the glasses in the provided case when not in use to protect them from scratches and damage.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Recycle the packaging materials if possible.

- If the lenses are damaged and no longer usable, check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Securefit 400 Safety 3 Pack, please refer to the contact information provided with your product packaging. Always ensure you have a point of contact for safety inquiries.

Conclusion

Following these safety instructions will help ensure the effective use of your Securefit 400 Safety 3 Pack shooting glasses. Remember to prioritize your safety and the safety of those around you while using this product. Thank you for your attention to these guidelines, and enjoy your shooting activities responsibly.
