

# REMINGTON 700, 722, 40X SHORT ACTION SCOPE BASES - EGW

## REMINGTON 700, 722, 40X SHORT ACTION 0 MOA SILVER

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

### No Frills Accuracy Enhancement For Popular Rifles

EGW Remington 700, 722, 40X Short Action Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

# Safety Instruction Guide for EGW Remington 700, 722, 40X Short Action Scope Bases

## Introduction

Thank you for choosing the EGW Remington 700, 722, 40X Short Action Scope Bases. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model (Remington 700, 722, or 40X Short Action).
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Store the scope bases in a dry and secure location to prevent damage and unauthorized access.
- Regularly inspect the scope bases for signs of wear or damage before use.
- If you notice any defects or issues, do not use the product and contact the manufacturer for assistance.
- Keep the product out of reach of children and vulnerable individuals.

## Specific Safety Precautions for Use

- Use only Picatinny or Weaver scope rings that are compatible with the scope bases.
- Do not exceed the recommended torque of 20 inch lbs when installing the scope bases.
- Always use a drip of blue Loctite for mounting to prevent loosening during use.
- Ensure that the installation does not obstruct any operational parts of the firearm.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction when installing and adjusting the scope.
- Avoid using the product if you are under the influence of alcohol or drugs that may impair your judgment.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools: a socket head Torx® wrench and blue Loctite.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Locate the factory scope mount holes on the firearm's receiver.
- Align the EGW scope base over the mount holes.
- Insert the socket head Torx® screws into the base and tighten them to the recommended torque of 20 inch lbs.
- Apply a small amount of blue Loctite to the screws to secure them in place.

### 3. Adjusting the Scope:

- Once the scope bases are securely installed, attach your scope using compatible rings.
- Adjust the eye relief and position the scope as needed for optimal viewing.

### 4. Final Checks:

- Ensure that all screws are tightened and that the scope is securely mounted.
- Perform a function check of the firearm to ensure that everything operates correctly.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the scope bases reach the end of their usable life, dispose of them in a manner that complies with local waste disposal regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your EGW Remington 700, 722, 40X Short Action Scope Bases. Thank you for your attention to safety.
