

BROWNING T-BOLT PICATINNY SCOPE MOUNT - EGW BROWNING T-BOLT 1-PIECE PICATINNY BASE 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

This mount comes standard with a bevel on both sides making it ambidextrous. EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. The channel in the center reduces the overall mass of the mount. Also, in many cases, it will not obstruct usage of factory iron sights. Their one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. They machine these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type II anodized for long lasting durability. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately). They recommend: 0 MOA - if shooting 0-500 yards 20 MOA - if shooting 500-1000 yards When zeroing your rifle with a 20 MOA mount, they recommend zeroing at 200 yards. The entire mount and accessories (from the mounting screws and wrench down to the packaging) are made in the USA.

Attributes

- Name: [EGW BROWNING T-BOLT 1-PIECE PICATINNY BASE 20 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000622
- Mfr. No.: 43332
- Colour: Black
- Elevation: 20 MOA
- Material: Aluminum
- Model: T-Bolt
- Number of Bases: 1-Piece
- Style: Picatinny Rail
- Weapon type: Browning
- Delivery weight: 0.057kg
- Shipping height: 13mm
- Shipping width: 89mm
- Shipping length: 229mm
- UPC: 841370116997

Safety Instruction Guide for BROWNING TBOLT PICATINNY SCOPE MOUNT

Introduction

Thank you for choosing the BROWNING TBOLT PICATINNY SCOPE MOUNT. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that all components are free from damage before installation.
- Always follow the manufacturer's recommendations for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the mount and accessories for wear or damage.
- If you notice any defects or unusual performance, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Use only compatible scope rings and accessories with the Picatinny rail to avoid instability.
- Ensure the mount is securely attached to the rifle before use.
- Avoid overtightening screws, as this may lead to damage of the mount or the rifle.
- When zeroing your rifle, follow the recommended zeroing distance for optimal performance.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and blue Loctite (sold separately).
- Ensure the rifle is unloaded and pointed in a safe direction.

2. Installation Steps:

- Measure the hole spacing in your receiver to confirm compatibility with the mount dimensions.
- Position the mount on the receiver, aligning it with the holes.
- Insert the mounting screws and handtighten them to hold the mount in place.
- Using a torque wrench, apply 20 inch lbs of torque to the screws.
- Apply a drop of blue Loctite to the screws to secure them in place.

3. Usage Guidelines:

- When using the mount, ensure that the scope rings are properly aligned and tightened.
- If shooting at varying distances, adjust the scope settings according to the recommended MOA:
 - 0 MOA for shooting 0500 yards
 - 20 MOA for shooting 5001000 yards
- For zeroing with a 20 MOA mount, it is recommended to zero at 200 yards.

Disposal Instructions

- Dispose of the product and packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

- For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your BROWNING TBOLT PICATINNY SCOPE MOUNT. Thank you for your attention to safety.
